Subject: Information for the 7th Judicial District Community Corrections Board

Katherine,
Thank you so much for the invitation to interview, I am looking forward to meeting with the Commissioners. I would like to add the following information.
As stated in my application I was a victim's advocate for Jubilee House from November of 2005 through June of 2011, during that time, beginning in January of 2010 and continuing through September of 2012, I was an advocate for our local Perpetrator Treatment Program as well. After leaving Jubilee House I formed my own nonprofit to provide educational outreach with regards to dating violence, domestic violence and sexual assault to the schools and the communities of Gunnison and Hinsdale Counties. This nonprofit was not successful. While I was working as a victim's advocate I obtained over 270 hours of training in various types of victim's advocacy.
Prior to becoming a victim's advocate I worked for the Gunnison Police Department from June of 1998 to mid August of 2003. I was employed as a Neighborhood Services Officer enforcing nuisance ordinances, such as the downtown parking ordinances.
I left the Gunnison Police Department after my then 20 year old son was brutally assaulted. During that court case I decided I truly wanted to become a victim's advocate and give back to our community. I made the decision to seek out training and began working for Jubilee House.

In all sincerity,

Nancy Dolezal
