Gunnison County Board of Equalization:
Hearing # 322

The Gunnison County Assessor's Office has been asked to communicate the assignment results for a single property that was appraised as part of our mass appraisal assignment.

The Uniform Standards of Professional Appraisal Practice (USPAP) defines mass appraisal as: the process of valuing a universe of properties as of a given date using standard methodology, employing common data, and allowing for statistical testing.

All of the sales used for Gunnison County's mass appraisal can be viewed on the Gunnison County web site (www.gunnisoncounty.org).

For the purposes of the mass appraisal, market value is defined as:

> "The most probable price, expressed in terms of money, that a property would bring if exposed for sale in the open market in an arm's-length transaction between a willing seller and a willing buyer, both of whom are knowledgeable concerning all the uses to which it is adapted and for which it is capable of being used." – Property Assessment Valuation, 1996, IAAO

For the 2019 property tax year, the effective **appraisal date is June 30, 2018**, as required by § 39-1-104(10.2)(a)(d), Colorado Revised Statutes.

The following page(s) characterize the petitioner's property and compare it to several examples selected from the "**Economic Area 8 Vacant Land Sales**" list.

Narrative

Subject property is located south of the City of Gunnison on County Rd 38. This parcel is 40 acres and is similar to the other parcels in this area with sloping sage and seasonal privately maintained access. The Economic Area 8 sage land sales with seasonal access are illustrated in table above.

The subject property is located in Tier 1 Sage Grouse Habitat. Market analysis indicates that a downward adjustment is warranted for this characteristic, and that adjustment has been applied in determining the current valuation.
