Gunnison County Board of Equalization:
Hearing # 36

The Gunnison County Assessor's Office has been asked to communicate the assignment results for a single property that was appraised as part of our mass appraisal assignment.

The Uniform Standards of Professional Appraisal Practice (USPAP) defines mass appraisal as: the process of valuing a universe of properties as of a given date using standard methodology, employing common data, and allowing for statistical testing.

All of the sales used for Gunnison County's mass appraisal can be viewed on the Gunnison County web site (www.gunnisoncounty.org).

For the purposes of the mass appraisal, market value is defined as:

> "The most probable price, expressed in terms of money, that a property would bring if exposed for sale in the open market in an arm's-length transaction between a willing seller and a willing buyer, both of whom are knowledgeable concerning all the uses to which it is adapted and for which it is capable of being used." – Property Assessment Valuation, 1996, IAAO

For the 2017 property tax year, the effective **appraisal date is June 30, 2016**, as required by § 39-1-104(10.2)(a)(d), Colorado Revised Statutes.

The following page(s) characterize the petitioner's property and compare it to several examples selected from the "**Economic Area 1 Vacant Land Sales**" list.

Narrative

There are two additional sales of properties close to the subject: R032268 sold for $55,000 on 10/21/2014 and has a time adjusted sales price of $66,180. R025477 sold for $63,000 on 5/19/2015 and has a time adjusted sales price of 70,800. Both properties are 40 acres. Both sales were to owners of neighboring properties, and as such were not used to set value. However both TASPs are consistent with the sales that were used in our analysis.

The subject account R008689 includes a minor structure that is not currently carrying any value. Depending on the actual use of this structure, the classification of the parcel may qualify as residential, and the structure may need to carry a residential improvement value.

The Assessor has carefully studied all the available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

The actual value of the property is determined by appropriate consideration of the approaches to appraisal set forth in § 39-1-103(5)(a), C.R.S.

If you disagree with the Assessor's decision, you have the right to appeal to the County Board of Equalization for further consideration, § 39-8-106(1)(a), C.R.S.

The deadline for filing real property and personal property appeals is September 15.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Please refer to the reverse side of this notice for additional information.

The Assessor has carefully studied all the available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

The actual value of the property is determined by appropriate consideration of the approaches to appraisal set forth in § 39-1-103(5)(a), C.R.S.

If you disagree with the Assessor's decision, you have the right to appeal to the County Board of Equalization for further consideration, § 39-8-106(1)(a), C.R.S.

The deadline for filing real property and personal property appeals is September 15.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Please refer to the reverse side of this notice for additional information.

APPEAL PROCEDURES

County Board of Equalization Hearings will be held from September 1 through November 1 at Gunnison County Courthouse or Blackstock Government Center.
