The Assessor has carefully studied all the available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

The actual value of the property is determined by appropriate consideration of the approaches to appraisal set forth in § 39-1-103(5)(a), C.R.S.

Agent is comparing subject vacant parcels to improved parcels. Comparison is not applicable.

If you disagree with the Assessor's decision, you have the right to appeal to the County Board of Equalization for further consideration, § 39-8-106(1)(a), C.R.S.

The deadline for filing real property appeals is July 15.
The deadline for filing personal property appeals is July 20.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Dear Paula, Phil, and Jonathan:

With this letter I am transmitting eleven Petitions appealing the Assessor's Notices of Determination, which left unchanged the original actual values. The principal grounds for the Petitions are set forth in the enclosed May 14, 2013 letter.

Please do not schedule my Board of Equalization hearing on Thursday, July 25, when I have an appointment in Grand Junction. Since I am submitting all of my appeals simultaneously, I would appreciate it if you would schedule all my appeals consecutively on the same day.

Many thanks.

Best regards,

David Leinsdorf

Dear George,

Enclosed is an email from Bill Lacy, President of Verzuh Ranch, Inc., authorizing me to protest valuations for all lots owned by Verzuh Ranch, Inc. We request that you reduce the Verzuh Ranch values from $62.50 per square foot to $48.00 per square foot, the same value per square foot that applies to most of the Kapushion lots. That would result in valuations of $513,000 for the 10,687.50 sf lots, $540,000 for the 11,250 sf lots and $547,200 for the 11,400 sf lots. The requested values are substantially above last year's values.

The Verzuh Ranch Annexation lots in question and the Kapushion Annexation lots, both in relatively recent annexations to the Town of Crested Butte, are all located on the Town perimeter and have protected unobstructed views. Although we have requested a reduction to $48.00 per square foot, there is actually a sound basis to go lower, to the same $450,000 per lot value that applies to more Kapushion lots than any other valuation. That is because in several important respects, the Kapushion lots are superior to the Verzuh lots, even though they are slightly smaller.

The Kapushion lots overlook the enormous riparian area of the Slate River floodplain which, in recognition of the extraordinary flora and wildlife habitat that exist adjacent to the Kapushion Annexation, has been preserved in perpetuity by a conservation easement. Additionally, the Kapushion lots have superior panoramic views of the mountains, ranging from Mt. Emmons to the west, Paradise Divide and Gothic Mountain to the northwest, the Elk Range to the north and Crested Butte Mountain to the northeast.

Accordingly, there is no reasonable basis to value Verzuh lots 30% higher per square foot than Kapushion lots. If anything, Verzuh lots should be less. All we ask is for parity.

If you have any questions about or want to discuss this matter, please let me know.

Thank you for your consideration.

Best regards,

David Leinsdorf
