Gunnison County Board of Equalization:
Hearing # 337

The Gunnison County Assessor's Office has been asked to communicate the assignment results for a single property that was appraised as part of our mass appraisal assignment.

The Uniform Standards of Professional Appraisal Practice (USPAP) defines mass appraisal as: the process of valuing a universe of properties as of a given date using standard methodology, employing common data, and allowing for statistical testing.

All of the sales used for Gunnison County's mass appraisal can be viewed on the Gunnison County web site (www.gunnisoncounty.org).

For the purposes of the mass appraisal, market value is defined as:

> "The most probable price, expressed in terms of money, that a property would bring if exposed for sale in the open market in an arm's-length transaction between a willing seller and a willing buyer, both of whom are knowledgeable concerning all the uses to which it is adapted and for which it is capable of being used." – Property Assessment Valuation, 1996, IAAO

For the 2019 property tax year, the effective **appraisal date is June 30, 2018**, as required by § 39-1-104(10.2)(a)(d), Colorado Revised Statutes.

The following page(s) characterize the petitioner's property and compare it to several examples selected from the "**Economic Area 8 Single Family Residence Sales**" list.

Narrative	Subject property is a remote and primitive cabin located in the most distant part of Gunnison Highlands North. Properties in this vicinity are considerably harder to get to than those in the lower portion of Gunnison Highlands. For this reason, example sales have been chosen from similarly remote areas and with similarly primitive improvements. Based on analysis of the most comparable properties, the Assessor believes that the influence of both remoteness and the basic nature of the cabin relative to sold properties in the lower part of Gunnison Highlands were not fully reflected in the subject's original valuation. Accordingly, to account for these characteristics the Assessor recommends lowering the value to $212,230.
