Gunnison County Board of Equalization:
Hearing # 305

The Gunnison County Assessor's Office has been asked to communicate the assignment results for a single property that was appraised as part of our mass appraisal assignment.

The Uniform Standards of Professional Appraisal Practice (USPAP) defines mass appraisal as: the process of valuing a universe of properties as of a given date using standard methodology, employing common data, and allowing for statistical testing.

All of the sales used for Gunnison County's mass appraisal can be viewed on the Gunnison County web site (www.gunnisoncounty.org).

For the purposes of the mass appraisal, market value is defined as:

> "The most probable price, expressed in terms of money, that a property would bring if exposed for sale in the open market in an arm's-length transaction between a willing seller and a willing buyer, both of whom are knowledgeable concerning all the uses to which it is adapted and for which it is capable of being used." – Property Assessment Valuation, 1996, IAAO

For the 2019 property tax year, the effective **appraisal date is June 30, 2018**, as required by § 39-1-104(10.2)(a)(d), Colorado Revised Statutes.

The following page(s) characterize the petitioner's property and compare it to several examples selected from the "**Economic Area 8 Vacant Land Sales**" list.

Narrative	Subject property is a 40.83-acre tract of sage land situated on the Saguache county line, with access off of Gunnison County Road 42. The property terrain is rolling. The property is open with no fencing, except for those built and maintained by the adjacent property owner to the north and east. The property is vacant land and is not utilized for grazing or agricultural endeavors. This property is located in Tier 1 Sage Grouse Habitat. Market analysis indicates that a downward adjustment is warranted based on this characteristic. Therefore, the Assessor recommends adjusting the value from $84,490 to $63,370.
