I am writing to express my interest in the upcoming vacancy on the Gunnison Valley Hospital Board of Trustees. I have lived in Crested Butte since 2005. I recently retired from IBM Watson Health after serving as a healthcare consultant for over 20 years. In that role I worked with hospitals and healthcare systems around the country on business strategy and strategic planning. Now that I have retired I would like to use my expertise to support our local health system. My full bio is on LinkedIn at https://www.linkedin.com/in/david-gray-b4611137
