The Assessor has carefully studied all the available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

The actual value of the property is determined by appropriate consideration of the approaches to appraisal set forth in § 39-1-103(5)(a), C.R.S.

We have no evidence of cattle actually being grazed on the property.

If you disagree with the Assessor's decision, you have the right to appeal to the County Board of Equalization for further consideration, § 39-8-106(1)(a), C.R.S.

The deadline for filing real property appeals is July 15.
The deadline for filing personal property appeals is July 20.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Please refer to the reverse side of this notice for additional information.
