The Assessor has carefully studied all the available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

The actual value of the property is determined by appropriate consideration of the approaches to appraisal set forth in § 39-1-103(5)(a), C.R.S.

Vacant land sales within the sales data collection period support the valuation

If you disagree with the Assessor's decision, you have the right to appeal to the County Board of Equalization for further consideration, § 39-8-106(1)(a), C.R.S.

The deadline for filing real property appeals is July 15.
The deadline for filing personal property appeals is July 20.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Please refer to the reverse side of this notice for additional information.

RE: Account No. R003413

Dear Paula, Phil, and Jonathan:

With this letter I am transmitting a Petition appealing the Assessor's Notice of Determination, which left unchanged the original actual value. The principal basis for the Petition is set forth in the enclosed letter which was e-mailed to the Assessor on May 29, 2013 (even though it was incorrectly dated May 29, 2009).

Please do not schedule my Board of Equalization hearing on Thursday, July 25, when I have an appointment in Grand Junction. Since I am submitting all of my appeals simultaneously, I would appreciate it if you would schedule all my appeals consecutively on the same day.

Many thanks.

Best regards,

David Leinsdorf

Re: Leinsdorf and Ross
Lots 19 – 24, Block 38, Town of Crested Butte
R003413

Dear George,

I write to protest the $853,130 actual value on Lots 19 – 24, Block 38, Town of Crested Butte, and request that you reduce the actual value to $431,250. That value is the same valuation per square foot that the Assessor has placed on Account No. R003427, a smaller commercial zoned parcel on the northeast corner of Belleview Avenue and Third Street. Ordinarily, corner property has a higher value per square foot than property like ours, which is sandwiched in the middle of the block.

There is no market for vacant commercial land in the Town of Crested Butte since the Town Council raised the "affordable housing" fee from $2.00 per square foot to $18.51 per square foot of building until June, 2014, and $27.76 per square foot of building thereafter. As Lois Rozman, Finance Director for the Town of Crested Butte, noted when the Town Council was raising the affordable housing fee, constructing new commercial buildings in the Town of Crested Butte did not make economic sense, even before the affordable housing fee was raised.

CBOE # 71
EXHIBIT C
Page 2 of 2

For example, if our six lots were developed to the density allowed by the Town of Crested Butte Zoning Ordinance as a matter of right (1.25 Floor Area Ratio), the affordable housing fee would be a staggering $347,062.50 through June, 2014, and $520,500.00 thereafter. That explains the complete absence of vacant land sales in the commercial zone and supports the requested reduction in actual value.

Accordingly, please reduce the value of the six lots included in R003413 to $431,250.

If you have any questions about or want to discuss this matter, please let me know.

Many thanks for your consideration.

Best regards,

David Leinsdorf
