The Assessor has carefully studied all the available information, giving particular attention to the specifics included on your protest. The Assessor's determination of value after review is based on the following:

The actual value of the property is determined by appropriate consideration of the approaches to appraisal set forth in § 39-1-103(5)(a), C.R.S.

No information containing data with the defined time frame was submitted.

If you disagree with the Assessor's decision, you have the right to appeal to the County Board of Equalization for further consideration, § 39-8-106(1)(a), C.R.S.

The deadline for filing real property appeals is July 15.
The deadline for filing personal property appeals is July 20.

The Assessor establishes property values. The local taxing authorities (county, school district, city, fire protection, and other special districts) set mill levies. The mill levy requested by each taxing authority is based on a projected budget and the property tax revenue required to adequately fund the services it provides to its taxpayers. The local taxing authorities hold budget hearings in the fall. If you are concerned about mill levies, we recommend that you attend these budget hearings. Please refer to last year's tax bill or ask your Assessor for a listing of the local taxing authorities.

Please refer to the reverse side of this notice for additional information.

Re: Nordic Inn Building, Lot 4 Block D #251692, Town of Mt. Crested Butte, Colorado
14 Treasury Rd., Mt. Crested Butte, Colorado 81224

Dear Mr. Johnson,

This is in reply to your request for a broker's opinion of value for the building situated on Lot 4, Block D, The Nordic Inn.

The entire parcel acquired on November 2, 2012 comprised 6 land parcels including Lots 1, 2, and 3, Inn Sites 4 and 5, Block D and Lot 1, Block C. Four of the parcels are vacant with the Inn situated on Inn Site 4 and the residence known as the Chalet situated on Lot 3.

Lots 1 and 2, Block D, are zoned low density multi-family lots (LDMF) comprising .945 ac. By way of value of the property, the only sales comparable at Mt. Crested Butte in the past 5 years at Mt. Crested Butte is the 3.23 acre property on Snowmass Rd. MLS # 35323 sold 10/9/12 for $242,500. This sale, of a parcel 3.4 times Lots 1 and 2, indicates a value of Lots 1 and 3 of $70,000 each, total **$140,000**.

Lot 3 is a smaller LDMF lot with the 1,200 sq. ft. Chalet structure is situated between Nordic Inn LLC parcels Lot 2 and Inn Site 5 making it effectively "bookended" by the Nordic parcels. Noting the age of the residence, the location inside the Nordic property and the absence of comparable sales for the past 5 years, it is the opinion of this broker the .275 acre site has an approximate value of **$70,000**.

Lot 1 Block C located across the Treasury Rd. cul-de-sac is a level .31 ac. single-family homesite situated adjacent to LDMF property. By way of value, the 14 residential lots sold at Mt. Crested Butte in the previous 12 months have closed at an average price of $5.33 per sq. ft. At $5.33 per sq. ft., Lot 1, comprising 13,503 sq. ft. has an approximate value of **$71,970**.

Inn Site 5, zoned high density multi-family, is located east of the Nordic Inn and has a topography with the western 1/3 of the property (closest to the Inn) somewhat level and the eastern 80' sloping steeply upward. The adjacent southern structure, Evergreen Condominiums, is 4 stories tall and shades the usable portion of Inn Site 5. No high density multi-family land parcels have sold since 2007. With no sales comparables

occuring in 6 years, my estimate of value for this property with only 1/3 level ground is **$100,000.** The property would only sell at a strongly incentivized price.

Inn Site 4 with the Nordic Inn is a mostly level .8 acre parcel situated on Treasury Rd. with good visibility from the Gothic County Rd. The value of the property is difficult to determine because, as indicated above, no high density multi-family lots have sold in over 6 years. Land sales have been the most severely impacted type of real estate during the recession period with sales only occurring at deeply discounted prices. Land sale prices are occurring at 2002 prices with only a very few buyers taking on the tax burden of owning vacant land with no development prospect in the foreseeable future. My judgment is Inn Site 4 would sell at a price of about **$150,000**.

The estimates of value for the several land parcels total:

Lots 1 and 2, Block D	$140,000
Lot 3, Block D	$70,000
Lot 1 Block C	$71,970
Inn Site 5	$100,000
Inn Site 4	$150,000
Total	**$531,970**

The November, 2012 purchase price for the Nordic Inn property was $2,040,000. With the above data indicating the land value is in the $532,000 range, the net value of the Nordic Inn building is **$1,508,000.**

An alternate methodology using construction costs will strongly confirm this **$1,508,000** valuation. Crested Butte area residential construction costs for premium quality construction and commercial construction costs are broadly estimated by construction companies as $350 per sq. ft. and up. Such a replacement cost, for the 11,544 sq. ft. (per County Assessor) building, results in a value of the building greater than $4 million.

This estimate of value for the Nordic Inn building is an estimate by a licensed Colorado Realtor. It is not an appraisal.

I would be pleased to provide additional, supporting data if requested. Thank you for the opportunity to be of service.

Sincerely,

Sam W. Lumb
