FLOODPLAIN DEVELOPMENT PERMIT APPLICATION

Applicant: _____
Address: _____
Owner: _____
Address: _____
Subdivision: _____ Block: _____ Lots: _____
General Description of Work to be performed: _____

The applicant shall furnish the following:

1. One set of plans drawn to scale showing the nature, location, dimensions and elevations of the area in question; existing or proposed structures, fill, storage of materials, drainage facilities and any other pertinent data as requested by the enforcing official.
2. Elevation in relation to mean sea level, of the lowest floor (including basement) of all structures within the scope of this permit. (Elevation certificate)
3. Elevation in relation to mean sea level to which any structure has been flood-proofed, if applicable. (Elevation certificate)
4. Site Plan showing the location of the improvements, as they relate to the subject watercourse.
5. Certification by a registered professional engineer or architect that the flood-proofing methods for any nonresidential structure meet the flood-proofing criteria in Section 11-103: Development in Areas Subject to Flood Hazards of the Gunnison County Land Use Resolution.
6. Description of the extent to which any water course will be altered or relocated as a result of this development.
7. Copies of any permits that have been obtained from any State or Federal agencies for which approval is required.
