WHEREAS, Gunnison County must upgrade and maintain the connection lines within the Dos Rios Division; and

WHEREAS, it is the desire of the Board of County Commissioners not to pay for such costs from the capital reserve;

NOW THEREFORE, BE IT RESOLVED by the Board of County Commissioners that:

a. "Customer" means the property owner or other party responsible for payment of utility bills for the property whose water or sewer lines are connected to the water or sewer lines of the Gunnison County Water and Sewer District within the Dos Rios Division.

b. "Customer's side of meter" means that portion of the water or sewer line starting at the entry to a customer's property up to and including the curb stop into any structure, facility or system located on such property.

c. "Operable curb stop" means that owners shall maintain a functional and working curb stop that is accessible.

2. Schedule of Rates. The rate schedule is adopted each year as part of the budget process and is available as Appendix A attached hereto. The schedule of rates will remain in full force and effect for the calendar year for which it was approved. The rate structure will be published in the newspaper and is available from the Gunnison County Finance Office at 200 East Virginia, Gunnison, CO 81230. Any past due account shall be subject to a penalty charge of 1%

per month or portion thereof, and any past due amount may, at the option of the Gunnison County Finance Office, be certified for collection in the manner as though they were part of the taxes pursuant to Colorado Revised Statute 30-20-420.

3. Residential Sewer Fee. User fees for connection of each residence, as defined in the Gunnison County Land Use Resolutions (LUR), to the Gunnison County collection system will be charged upon installation of the service line and the approval of the Gunnison County Utility Manager. Residences with an integrated secondary residence are counted as if they were just one residence. Multiple-family residences are considered commercial accounts for billing purposes. User fees will be billed in advance.

4. Commercial Sewer Fee. User fees for connection of units will be charged upon installation of the service line and the approval of the Gunnison County Utility Manager. The fee amount will equal the product of the current residential sewer rate according to Appendix A attached hereto, the factor according to Appendix C, and the number of factored units according to Appendix C. User fees will be billed in advance.

5. Vacant Lot Sewer Fee. A vacant lot sewer fee will be charged for each parcel of real property in the Dos Rios Division which has sewer service available to that parcel but which parcel is not connected to the Division sewer lines. The vacant lot sewer fee will start on the date of final board approval for proposed property developments, subdivisions, etc.

Water supply size is either the meter size or line size from the well to the structure when no meter is present.

7. Excessive Connection Costs. Sewer service will be extended to the property line, unless cost of such extension of service exceeds two thousand five hundred dollars (\$2,500) or the product of the number of new users to be served by said sewer extension and two thousand five hundred dollars (\$2,500). Costs exceeding two thousand five hundred for a single user or the product of the number of new users to be served by said sewer extension and two thousand five hundred dollars (\$2,500) will be the sole responsibility of the customer(s) to be served. An estimate of the total costs will be provided to users in advance of work performed. Such work will be managed by Gunnison County staff.

9. Perpetual Lien. Until paid, all fees, rates, tolls, penalties, interests on delinquencies, and other costs shall constitute a perpetual lien on and against the property served, and any such lien may be collected in any manner legally permissible, including certification to the Gunnison County Treasurer as provided by law.

10. Building Permit Shall Not Be Issued. No building permit shall be issued for any building on a parcel of land in the Dos Rios Division unless the tap fee for that parcel has been paid in full as set forth above.
