WHEREAS, on March 12, 2020, pursuant to the authority provided by law and delegated by the Board of County Commissioners, the Gunnison County Manager declared a local disaster emergency because the cost and magnitude of responding to and recovering from the impact of the ensuing event is far in excess of the county’s available resources; and

WHEREAS, pursuant to C.R.S. § 24-33.5-709(1) “A local disaster may be declared only by the principal executive officer of a political subdivision. It shall not be continued or renewed in excess seven days except by or with the consent of the governing board of the political subdivision”; and

WHEREAS, the conditions that spurred the Gunnison County Manager to declare the local disaster emergency have not abated; and

WHEREAS, “The effect of a declaration of local disaster emergency is to activate the response and recovery aspects of any and all applicable local and interjurisdictional disaster and emergency plans and to authorize the furnishing of aid and assistance under such plans.” C.R.S. § 24-33.5-709(2); and

WHEREAS, defining clear roles for and direction to those responding to the local disaster emergency and operating under Gunnison County's emergency operations plan will allow a more effective response.
