

Minutes of the Historic Preservation Commission

March 19, 1998

Members Present: Mitch Evans, Laura McClow, Mac McGraw & Janice Downing.

Guests Present: Colleen Hannon

Old Business:

HP Week will be May 10-16. The poster is being rough drafted by Pat Greene. It was suggested to have old barns on it along with our plaque. There was a discussion on getting some publicity on the radios in May.

Crested Butte's progressive dinner will have the benefits to go to the museum. Timberline will for sure have the main course. Mitch is trying to set up the other courses at other historic places in CB. He is trying to get it all set up for Sat., May 9.

The Gunnison progressive dinner was discussed, and the consensus was to benefit the Pioneer Museum. Many places were suggested to have the various courses at, and all will be checked out.

Next, was assigning duties for the board members. Mac is working on setting up the storytelling, and he may include his slide show. Janice is doing the set up for the walking tours. Colleen offered to check on if the City HPC wants to work on the photo contest, and maybe with CB. Laura will check on the essay contest. Laura will also ask if Diane Travis will be available to teach us on workshops.

New Business:

The next thing discussed was the chairperson position. All voted to keep Mitch as the chairperson, and he accepted. He is looking forward to continue working on the web page project. Kathy reported all that she found out about web pages. She will be doing more checking on other avenues.

We worked on planning field trips coming up. The vote was to go to Union Park with Mac around June 6 or June 13. Then to plan a field trip to the Aberdeen Quarry and the Zugelder Quarry in

July with Gus and Mac. Also, trips to the schoolhouses such as Spencer, Fairview, Castleton, Doyleville, Sargents, & Cimarron in August.

Laura will wait to report on the Old Spanish Trail Assn. until she gets more information.

Bin Items:

The next regular meeting will be April 16, 1998.

Laura has set up Diane Travis, Technical Director of the Rocky Mountain Masonry Institute for a 5:00 workshop on May 14.

AGENDA ITEMS FOR APRIL 16 MEETING:

1. Continue plans for HP Week
2. Discuss National Trust Membership
3. Web page information from the City & WSC
