

Minutes of the Public Hearing

November 16, 2000

Members Present: Mitch Evans, Lyda Hardy, & Ruth Dolezal

Speakers Present:

Others Present: Larry Dolezal

Mitch opened the public hearing, with three board members present. He then had Kathy tell of the confirmation of adequate public notice, by showing the proof of publication, and had her announce that the Ruth had posted it on the property.

Then, Mitch asked Ruth to present her proposal. Ruth told about having 3 letters of support from the Ohio City Assistant Fire Chief, the Quartz Creek Improvement Association and the Gunnison County Public Works Director stating the importance of putting the property on the register.

Next, were the questions and comments from the public. Someone commented that the research was very well done. We then asked for any opposition, or other comments. There were none.

Next, Mitch asked for closing comments. Kathy reported that there were no oral or written comments submitted. Mitch closed the public hearing. Then, he made a motion to have the nomination go on to the BOCC. Lyda 2nd the motion. All the board members voted. It was unanimous to continue the process. Mitch thanked Ruth for a great presentation, and all her hard work.

Kathy will deliver the packets for the BOCC agenda ASAP. When this is scheduled, she will let everyone know.
