July 26, 2001

Members Present: Dave Primus, Mac McGraw, Ruth Dolezal & Harley Tripp

Speakers Present: Lynn Kent & Larry Dolezal

Dave opened the continuation of the Public Hearing on the Ohio City Jail mailboxes, with four board members present. He then had Ruth tell what was presented at the last public meeting, and published for this meeting. She also told what she had turned in to the BOCC, and copies to us last meeting. The County owns the property, and the County has no objections to this project.

Then, Lynn Kent from the Gunnison Post Office, told about how the process had worked to keep the zip code in place at Ohio City. She said the delivery would be in a safe place. Larry Dolezal then explained how nice it would be to continue having mail delivery! Ruth said she would miss the Post Office in Ohio City.

Next, were the questions and comments from the public. Someone commented that the research was very well done. We then asked for any opposition, or other comments. There was none, and Kathy received no written or oral comments. Dave recommended that the board approve it.

Dave closed the public portion of the hearing. He then asked for discussion from the board. Ruth made a motion to approve the mailboxes on this site. Mac 2nd the motion. Dave then had the board members vote. It was unanimous. We thanked Lynn for being present at this hearing.

Lastly, Dave closed the public hearing.
