

Gunnison County Historic Preservation Commission
May 16, 2007

Members Present: Dave Primus, Ruth Dolezal, Lyda Hardy, Laura Easley, Lynn Card

Dave opened the meeting at 5:15. The minutes were read and approved from the March and the April meetings. There were not enough people in attendance in March for a meeting to be held.

The first item on the agenda is historic preservation month. We have put an article in the paper. Dave & Debbie talked to Andie at the city. Debbie has a pile of votes for the Pitkin Town Hall. Andie called Debbie today to report that she had 12 more votes for the town hall. We think that the people who voted for the town hall think we are going to give them money for renovations. They are on the State Register and could be applying for grants already. We had to pick the top 5 endangered place in Gunnison County. So they will be the Pitkin Town Hall, the Edgerton House, the 8th street school house, the sign at the Holiday Motel, and the Knowles barn. We will tally the votes on Friday and then get the information and the photos to the paper for next weeks edition. Dave is going to write a letter that Debbie can send to all of the winners inviting them to put their property on the register. Debbie will get the ornaments from Janice for the winner.

The next item on the agenda is the June Jaunt tour. Laura is finalizing all of the poster we are going to use on our table. Lyda is going to man the booth Saturday.

Ruth was contacted by a man who was looking at the cemeteries on the internet. He is trying to get GPS locations of every cemetery in Colorado. Dave offered to drive to each cemetery with Ruth and locate them on Dave's GPS. The man's name is Duane Kneives. Ruth and Dave will let everyone know which date they pick to go in case anyone else wants to go.

Ruth & Laura are going to get together and go over the school information. Laura has been gathering pictures of the schools. Paul Gery brought up the fact that there was an ad in the Shopper looking for information on the Vulcan cemetery. Dave is going to call the number in the ad.

Debbie let everyone know that Bill Miles came to here today about putting the Ivan barber shop on the register. He is going to look at the packet and then get back to us.

There was no further business to come before the board so Dave adjourned the meeting.
