Members Present: Dave Primus, Lyda Hardy, LeeAnn Mick, Paul Gery, Nick Lypps,

The meeting was called to order by Dave Primus at 5:15. There were no minutes to read as there were not enough members present at the July meeting to make a quorum.

The first item on the agenda was the budget. Debbie is working on it and will add anything to it that the board wants. It was discussed that we need to add extra money to send our members to the Feb training in Denver. Dave is going to work on the amount needed and get that figure to Debbie. Nick thought it would be a good idea to do a field trip for the school kids to some of our sites that are on the register. Lee Ann is going to get together with the 4th grade teachers and try and get some information to Debbie. We need to find out how much a bus would be and what the teachers would be interested in. Also, we need to be sure that we included the website and the transcribing in the budget. Debbie will get that all put together and turned in by September 8th.

Debbie let everyone know that the CLG report had been turned in. Also, that Dan Corson would be coming to one of our meeting this year. He would like to come when we have a public meeting. Debbie will keep in touch with him. Right now we don't have anything pending that would require a public meeting.

It was discussed whether we are going to do anything for preservation month in September. We thought that if we could get Jim Starr to respond with "this place matters", we could put that in the Crested Butte paper along with the article about the commission. Nick will get a message to Jim to contact Debbie and we will go from there.

Dave adjourned the meeting as there was no further business to come before the board.
