

Gunnison County Historic Preservation Commission  
October 21, 2009

Members Present: Lyda Hardy, Laura Easley, Lynn Card, Lee Ann Mick, Paul Gery

The meeting was opened by Lyda Hardy who is filling in for Dave Primus. The minutes were read and a correction to the word "plan instead of place" was made. The minutes were approved as corrected.

The first item on the agenda was to let everyone know that the meeting has been changed to the Sherriff's meeting room for the November meeting.

Rachel from board for the Ohio City Town Hall has been looking for pictures of the town hall. She also would like to have a letter of support from the board. The motion was made to give them a letter of support. It was seconded. Debbie will get with Dave and ask him to write it.

Debbie let the board know that after Ray Rossman came to us about being a pass thru agency for the Forest Service, that when Dave talked to him he had already found someone else. So we won't have to deal with that. Also, that Justin Lawrence has shown some interest in joining our board at some point, so we will keep that in mind.

The CLG conference in Feb is coming up and Debbie asked everyone to think about whether they could go. We have some grant money from the state and we also can save some money by doing an early registration.

Lee Ann talked to one of the 4<sup>th</sup> grade teachers about us helping by doing a tour of some of the sites or whatever they feel would work. They are very interested in our interviews and we would be happy to share them with the teachers. They would like the VanTyl interview so Lyda is going to have one of her high school student's start working on the tapes again. Also, that way we will have more available when Carol gets ready for them.

There was no further business to come before the board, so the meeting was adjourned.
