

Gunnison County Historic Preservation Commission
November 18, 2009

Members Present: Dave Primus, Lyda Hardy, Laura Easley, Lynn Card

The meeting was opened at 5:15 by Dave. The minutes were read and approved.

The first item on the agenda was the December meeting. It was decided that we would not have a meeting in December as everyone is very busy in December.

It was agreed to pay Carol Primus \$1000.00 to transcribe the oral interviews. Lyda will get the discs with the interviews on them to her.

Lyda brought up the fact that we should invest in a Flip Camera that would make it easier to record the oral interviews than the one we have. It was moved and seconded that Debbie take care of this from this year's budget. Debbie will get it ordered.

Laura told us about a oral interview that would be good to get with an old time resident of Somerset by the name of Timko. She will see if she can get more information.

Debbie asked if anyone would be interested in going to the CLG conference in February. We need to register as soon as we know. Dave said he might go and he would talk to Nick to see if he might be interested.

There was no further business to come before the board so Dave adjourned the meeting.

Bin items: Next meeting is January 20, 2010
