

Gunnison County Historic Preservation Commission
August 18, 2010

Members Present: Lyda Hardy, Laura Easley, Lynn Card, Paul Gery, Jody Reeser, Lee Ann Mick

The meeting was opened by Lyda. There were no minutes from previous meeting. Debbie will bring them to the next meeting.

The first item on the agenda was the budget that Debbie is working on for 2011. She is already asking for extra money for the website, brochures, and travel to a conference. She asked the board if there was anything else they wanted to add. Paul asked that we add \$200.00 to the budget for the movie project. Jody said she wanted to go the state conference that is usually held in February.

The next item on the agenda was the interviews. LeeAnn told the board that she was doing an interview with Clea Greenawalt, Anne Leganes and Helen Winslow. Paul & Jody are going to set up to do the Kincaid interview. Laura will be in Alamosa on Sept. 17 or 18th and could interview the retired teacher that lives in LaVeta. Paul will get her the information.

Paul gave a report on the movie committee meeting. How the "West was Won" will be the movie shown on Sept 14. The movie is 3 hours and has 3 different sections so they are only going to show the section that has Gunnison in it. True Grit was shown in CB and only 3 people showed up. The tourism board is going to set up a committee that will design a form to use as a permit for filming in Gunnison. Larry Huble does contact work with people who want to do films in Colorado and he says there is quite a bit of interest. If the opportunity becomes available Paul is going to apply to be on the board. Paul had a list of people he wanted to the board to send letters of thanks to. He will get the list to Debbie. Also he thought we should send a letter of congratulations to the kids that were listed in paper for their participation in the National History Day contest. The film "Lovesick" could be put in archives but the board agreed that it was sensitive subject and we should get the permission of the woman in film before doing that. Paul is going to meet with the author of the book "Hollywood Colorado" sometime in September.

Laura let us know that she will still be using her Gmail account after she leaves here.

There was no further business to come before the board so the meeting was adjourned.

Next meeting will be September 15, 2010
