

Gunnison County Historic Preservation Commission
November 17, 2010

Members Present: Lynn Card, Jody Reeser, Paul Gery, Nick Lypps

The meeting was opened by Jody. The minutes for September and October were read, corrected as noted and approved.

Debbie told the board that she had been contacted by Dan Corson regarding setting up a workshop for the western slope training in May, in Gunnison. We will need to have two rooms that we can use. Everyone agreed that it would be good to do that. Debbie will get back to Dan with dates that would work for May. It was agreed not to do the weekend of WSC graduation.

Paul gave an update on the movies. He has enough movies that he has permission to show to run thru Feb. 2012. They aren't going to show a movie in December so it will resume in January. Debbie let everyone know that the thank you letters went out.

Lee Ann wasn't there to give an update on the school project so Debbie will contact her so we can get it finished before the end of the year.

Debbie asked if the meeting day and time was still okay for the next year. Everyone here agreed that it worked for them.

Dave is not going to apply to be on the board again so in Feb we will have a new board member.

There was no further business to come before the board, so the meeting was adjourned.

Next meeting will be January 19, 2011
