

Gunnison County Historic Preservation Commission
February 17, 2010

Members Present: Dave Primus, Lyda Hardy, Paul Gery, Laura Easley, Nick Lypps, Lynn Card, Lee Ann Mick

The meeting was opened at 5:15 p.m. by Dave. The minutes were read and approved.

The first item on the agenda was the CLG conference. Nick gave us a report on it. The conference was on Saving Places & Preservation. He enjoyed the different lectures and came back with lots of information. Nick talked about the Historical & Heritage Tourism and he questioned whether we had a quilt with the local brands on it. He said that was talked about at great length and how that is a way of preserving the different brands that may no longer be used. Gunnison does have a quilt hanging down in the Fred Field Building. Nick also inquired about some of the old maps in the County's possession. There are some hanging on the walls of different buildings. Dave & Nick are going to inquire about the maps.

The new members appointed to the board are Elinda Card and Jody Reesner. We are glad to have them. Dave addressed the board in regards to talking to the Commissioners about also appointing Laura onto the board in some manner. She has been very active on the board and is in the middle of finishing up the school project. Dave & Debbie will talk to them and see what can be done. Everyone on the board agreed that Laura still needs to be on the board.

Paul gave us an update on the movies that were made in Gunnison County. He has talked to Charlie Miller and has gotten some good information. He also talked to the Art Center and they are planning to do something about the films of Gunnison County. They will keep Paul posted on what they decide to do.

Lyda & Lee Ann met on the new brochure. They have a draft they are working on and after meeting with Paul & Laura now have some new ideas to incorporate into it. They will bring us back a final layout.

Dave asked Debbie if we were checking the email listed on the website. Debbie said that she wasn't and would have to look into how to go about that. She will call Tara and look into it.

Lynn brought up the fact that Judy Buffington has a new book coming out "Lawmen & the Lawless". She is working on graves and burials in Gunnison County for her next book. Lynn met with her and she isn't doing the same thing as Lynn & Ruth are doing on the cemeteries. She was interested in a grant thru our board. After much discussion, the board doesn't think we can apply for the grant, when it will benefit her monetarily.

Debbie passed out the Ray VanTyl transcripts. Carol has everything finished except the last 14 minutes. She is out of town but will finish when she gets back.

Laura asked Debbie to look into putting the Gothic Water Tower on the website. Debbie will get Tara an updated list.

There was nothing further to come before the board, so Dave adjourned the meeting.

The next meeting will be on April 21, 2010.
