

Gunnison County Historic Preservation Commission
July 20, 2011

Members Present: Jody Reeser, Nick Nypps, Lyda Hardy, Patti Bippus

The meeting was opened by Jody. The minutes were read and approved as corrected.

The first item on the agenda is American Legion Packet. Jody attended the City Council meeting. They were in favor of the packet and everything will be signed and it will come back to the County Attorney.

Lyda gave a update of movie update since Paul wasn't here. They have put all of the movies and info on them into Excel instead of Access. Lyda did tell us that Snowbeast is under public domain and not copyright protected so we can show it. We need to decide when to show it and come up with some fun ideas to go with it. The next showing will be July 26 at the Art Center for Gunnison on Parade. Jody said about 40 people came to last month's movie at the Art Center, Grand Traverse.

Jody gave an update of the window workshop. She toured her shop and it was nice She gave a breakdown of what they do to restore the windows. The best thing that would work for her would be to get someone to pay to have a couple of windows repaired. We could charge like 5.00 a head to help cover the costs of her people. There are several challenges to hold this. There is some interest from other communities that would like to attend. We would have to have someone who is willing to pay to have there windows done. Lyda suggested that we talk to Henry Wood. We also could also put together our own workshop since Jody has the directions. We think we should try to get some interest between now and spring and work on this between now and then. This project is table for now.

Patti gave and update on the Hp monthly questions. We need to answer the brothel questions. Patti will talk to Paul and Jody will be able to help get it typed for the paper. The kids are very interested in the ghosts and outlaws, we have decided to do an outlaw question next month.

Henry Woods has okayed it with the HOA dredge boat site up Taylor Park. They have decided on August 19 at 9 am in front of Paul's house.

There was no further business to come before the board so we adjourned..

Bin items: the next meeting will be August 17.
