

Gunnison County Historic Preservation Commission  
Sept. 21, 2011

Members Present: Jody Reeser, Patti Bippus, Lynn Card, LeeAnn Mick, Paul Gery, Lyda Card, Nick Lypps

The meeting was opened by Jody Reeser. The minutes for the last two meetings were read and approved as corrected.

The first item on the agenda was the American Legion building. Debbie let everyone know that the packet has been approved and designated by the County Commissioners. It was decided to present their plaque after our meeting in October. Debbie will contact Larry Dolezal and make arrangements. We will get the paper there also.

The next item was the budget. Debbie has turned in the budget in and we won't know anything until it is finalized at the end of the year.

Paul - canceled this month's movie because he couldn't get permission to show Caribou Trail. He spent a lot of time on the phone and could never hook up with the correct person to get the permission. Gunnison Navy has never been licensed for anything but 35 mm showing, it can be licensed for \$500.00 to get it on DVD. The copy we have has 35 minutes of raw footage, but it has been copyrighted also. If we set it up as a lecture and he used the raw footage as an example under the lecture we could probably get by doing it this way. Mike Brooks is going to do the lecture from WSC and we will have it held up at the college. Paul will try to show Snowbeast at the High School in November. He will try to get it scheduled with the school.

Patti and Nick will work on the article about the Outlaws for the paper for this month. If anyone has any stories get them to Patti right away.

The dredge boat tour was canceled. Everyone is still interested in going but it will have to be a weekend. It was decided to go on October 1 at 9 am. Everyone meet at the courthouse and carpool up.

Debbie let everyone know who is coming up for renewal in Jan. They are Nick, Lyda, Paul & Lynn. Everyone will receive a letter when it gets closer to the time for renewing.

Jody gave an update on the Clark ranch. On Oct 21st there will be a meeting go over all of the research that has been done by Jody and Brooke Moran. If anybody wants to attend it will be around 9 or 9:30 am. Let Jody know if you are coming. Jody is hoping that by Friday the application for the designation on the house will be ready.

There was no further business to come before the board, so the meeting was adjourned.

Bin items: the next meeting will be on October 19.
