

Gunnison County Historic Preservation Commission  
November 16, 2011

Members Present: Jody Reeser, Lee Ann Mick, Paul Gery, Lynn Card

The meeting was opened by Jody. The minutes were read and approved as corrected.

The first item on the agenda is the film project. Paul & Lee Ann reported on the showing of Snowbeast. They were disappointed by the turn out. We talk once about buying the Hollywood movies. It was moved and seconded to buy the movies out of the budget in 2012. It was approved. Paul gave Debbie a bill for the copies of the DVD. Paul is going to do a wind up article to the paper and he will also add that we have put all of the movies at the library. The turn out for Snowbeast was about 30 people. Paul said he would continue to work on this project even after he goes off the board. The board thanked him for all his hard work.

Jody reported on the Clark Ranch meeting. They had a small turnout and not many conclusions came out of the meeting. Jody's husband has been contracted to take off the upper story of the barn so that it won't ruin the barn. The paperwork is filled out to put the house on the register. Luke Danielson has it and we should hopefully have it soon.

Patti wasn't here tonight so she told Jody that she and her daughter are working away on the articles for the paper. They have the next 5 articles planned. This month's newspaper article is a second section on outlaws. Jody told her if she needs help to let us know.

The barn in Powderhorn was discussed that several members of the board have contacted about it. It is owned by Mike and Debbie Morris. Previously known as the Grey Ranch between Powderhorn and Lake City. The owners are interested in getting some help in making repairs.

There was no further business to come before the board so, Lee Ann moved to adjourned the meeting. It was seconded and the meeting was adjourned.

Bin Item : Next meeting is January 18, 2011.
