

Gunnison County Historic Preservation Commission  
January 19, 2011

Members Present: Dave Primus, Lyda Hardy, Lynn Card, Paul Gery, Jody Resser

The meeting was opened by Dave. The minutes were read, corrected as noted and approved.

The first item on the agenda was the school project. Lee Ann and Debbie told the board that the 4th grade schools had spent 480.00. They ordered some movies, and are going to take a field trip also.

The movie update was given by Paul. Mountain Family Robinson was shown in January and only 8 people showed up, because it was cold that evening. Andy Hanks and Paul have been playing telephone tag about showing Snowbeast at the high school. We are thinking about showing in February the Snowball express in Gunnison or the documentary that Mike Brooks made about skiing. It was decided to leave it up to Paul to make the decision about which one to show. Paul had given Dave some still photos from Mountain Family Robinson that Dave has put on a cd.

Debbie has tried to find out how many have applied for the vacant position but Ruth in the admin office was out of the office. If she finds anything out she will let the board know. Dave let everyone know how much he had enjoyed working on the commission and he has decided to resign from the board. Dave is still going to work with Mike Pellitier on the mapping project.

The board discussed electing a new chairman. Everyone will think about it for one month and we will vote on it at the beginning of the next meeting.

Debbie asked about which weekend in May would be the best for the HP conference. It was decided on May 13th. Debbie will let Dan Corson know.

There was nothing further to come before the board, so Dave adjourned the meeting.

Next meeting will be March 16, 2011.
