

Gunnison County Historic Preservation Commission
May 16, 2012

Members Present: Jody Reeser, Patti Bippus, Russ Lallier, Ruth Dolezal, Lee Ann Mick, Lynn Card

The meeting was opened by Jody Reeser. The minutes were read and approved as corrected.

The first item on the agenda is the school tour in honor of the Colorado History month. Jody and Patti have worked very hard to put together the articles and the brochures for the tour. They still could use some extra help on Saturday if anyone can help.

The board discussed the Clark Ranch application. It was voted on, to be approved by the board to send it on for a public hearing and then the County Commissioners pending the public hearing. We will have the public hearing at 5 p.m. On June 20th. It will be right before our regular meeting.

Debbie talked to Dan Corson at the state about the Forest Service building doing the adjustments on the building. Justin just needs to pass it by any organization that might have any interest in it. If there is some major reason that we feel the project should not be done we could let him know our concerns.

Ruth gave us an update on the Mathis grave search in the Tincup cemetery. He is going around the country trying to put on headstones for confederate soldiers. There is an AA Keyes in the cemetery, but it refers to her husband who would have been Landon Keyes. The Tincup cemetery did approve that there could be a head stone placed. From the census records from 1900 it shows that he was born about 1837. He died between 1910 and 1920 Ruth protested that the dates that Mr. Keyes has are not the correct dates, but she thought the board was going to let him place the marker anyway.

Debbie passed out the brochures on the Crested Butte workshop in June. Anyone interested can go to the Friday workshop should turn your reservation.

Jody had a call inquiring about a mine up lake San Cristabal . They are trying to save it before it falls down. It is not in Gunnison County so they will need to talk to someone in Hinsdale County.

There was no further business to come before the board so Jody adjourned the meeting.

The next meeting will be July 18.

Public Hearing

Agenda Items

Vote on Clark application

School tour

Clark cabin

Crested Butte workshop
