October 17, 2012

Members Present: Jody Reeser, Russ Lallier,

The meeting was opened by Jody. The minutes were read and approved. There are not enough members in attendance to make a quorum, so we will not be able to vote on anything tonight.

The first item on the agenda was the project on the buildings downtown. We were going to try and work on this and pull together all the information from the board members, so we know where to go from here. We will do this at our November meeting and Debbie will remind them all to bring it to the next meeting.

Russ told us about the fire truck that he has owned since 1991. It is considered rolling stock. It was donated to the Town of Gothic and then given to Russ. It was originally built in 1951 and came from New Mexico.

There was no further business to come before the board so the meeting was adjourned.
