

Gunnison County Historic Preservation
February 15, 2012

Members present: Jody Reeser, Lee Ann Mick, Patti Bippus

Jody opened the meeting. The minutes were read and approved as read.

The first item on the agenda was the board appointments. The ad is just coming out for the next round of interviews. Lee Ann put a call in to Russ Lallier, Debbie called and talked to Ruth Dolezal. Ruth would be willing to reapply if we can't get anyone else. If anyone has any other people that they know would be interested please, contact them.

Historic Preservation Month was brought up. Jody asked what building we should put on the tour. The following building were suggested, 8th St. School, Arts Center building, Smith Opera House, Johnson building. We will need to finalize this project next month so we can get ready for May.

Jody gave us a quick run down on the State conference. She said the best useful workshop was all the different ways to diagnose old buildings. It was extremely detailed and had great resources. Patti brought up the fact of trying to bring attention to the downtown Gunnison area. It was suggested to start with a small project and go from there. Lee Ann is going to start working on a list of the downtown buildings, gathering a history on each of them with intent to eventually do a brochure and put up placards in each buildings window. We will have to get the City's approval for the signs but that is always down the road.

Jody let us know that the Morris's are not sure what they are going to do about putting their property on the register. We will have to wait and see what they decide.

There was no further business to come before the board, so Jody adjourned the meeting.

Bin Items: next meeting will be on March 21, 2012
