Members Present: Jody Reeser, Lynn Card

The meeting was opened by Jody Reeser. The minutes were read and approved.

The first item on the agenda was presented by Justin Lawrence from the Forest Service. He came to talk to us about a Rehabilitation Project on the Forest Service building on Colorado Street. In order to use the downstairs of the building they have to bring it up to code and meet ADA requirements. The board agreed to look over the packet and then vote on writing a letter of support at the next meeting.

Jody likes the idea of the school tour and since we are running out of time we think the board should go with this idea. We need to get the van scheduled. We think May 19 around 10ish. We will need to work on advertising and permission to be in or around the buildings. Jody is going to do the contacting of the owners of the buildings and make a list of the route. Debbie is going to bring copies of the brochures. We finalize everything at the next meeting.

Board appointments. Applications were submitted by Russ Lallier and Ruth Dolezal. Their interviews are next week.

We discussed the grant for the survey. We need to work on that this summer and be ready to apply for the fall grant round.

There was nothing further to come before the board, so Jody adjourned the meeting.
