

Historic Preservation Commission
June 21, 2013

Members Present: Ruth Dolezal, Jody Reeser, Patti Bippus, Lee Ann Mick

The meeting was opened by Jody. The minutes were read and approved as read.

The first item on the agenda was the downtown project. We had the open house last week on Wednesday. Two people showed up but they were very helpful. We got some good ideas about where to go next. Debbie will get the information that we got updated on the spreadsheet and then we are going to post the data at Boomers and some other places to see if they can help us.

Jody was contacted by Matt to go through the leather bound books in the basement of the courthouse and see what is down there. We are going to decide on a date at our July meeting.

The Saguache County Commission is having the annual HPC forum on August 16. It is to go over how sister community's programs can help each other. Also, to take a look at common regional preservation issues. Anyone interested in going need to RSVP to Dan Corson by August 13.

Debbie let everyone know that she will be working on the CLG REPORT which is due by August 1. Then she will be working our budget for next year so think about what extra projects we want to include in the budget.

There was no further business to come before the board, so Jody adjourned the meeting.

Next meeting is July 17, 2013

Agenda Items

Cleaning out books in courthouse basement
Downtown project
