

Gunnison County Historic Preservation  
August 21, 2013

Members Present: Lyda Hardy, Ruth Dolezal, Lynn Card, Lee Ann Mick, Jody Reeser

The meeting was opened by Lyda. The minutes were read and approved as read.

The first item on the agenda was to discuss the book cleaning project. Melody Marks from the Treasurer's office came to the meeting so that we could discuss a plan to continue working on the book cleaning and organizing. Melody counted just the Treasurer's books which is what most people will want to look at for past records. Lyda talked to Keith Schrum of the State Historic library. He said metal shelving would be best and it should be painted. That covering the books with plastic is okay to keep them from getting wet. The next meeting is on August 28 for the building plan. The commission would like to talk to the architect about finding a spot in the building for a research room where the books could be housed and the public could have access. Jody will get in touch with Mathew Birnie and discuss this with him before the meeting. We need to keep reminding them that we still need a place for the books. We are going to set several different schedules to continue to clean the books. The next books to be cleaned are upstairs.

Debbie let the board know that the budget has been turned in. She has asked for some capital expenditures for the downtown project and the website.

Debbie also reminded the board that the next round of grant proposals is due in October. The board may want to do that to buy the shelving for the books to be stored on.

Debbie reminded everybody about the CLG open house in Pueblo on Sept. 27th and the Commission training in Durango on October 11.

There was no other business to come before the board so the meeting was adjourned.

The next meeting will be on October 16, 2013

Agenda

Book cleaning  
Downtown project  
CLG workshop  
Ohio City Town Hall letter
