The meeting was opened by Jody. The minutes were read and approved as read.

The first item on the agenda was the Survey. Debbie has contacted the State and she will be getting the forms.

Russ and Lyda discussed going to look at the Henry Wood's dredge boat. Russ is going to contact Henry.

Jody will have the downtown project printed in the next couple weeks and taken to Boomers.

We have 3 volunteers from the high school that are going to help clean the books. They are going to be able to work one day a week. Lee Ann met with them and showed them what to do.

Debbie will check with Katherine about doing conference calls during the winter so that Ruth can join us by phone. Debbie will be also checking on where they will be moving our file cabinet.

There was no further business to come before the board so the meeting was adjourned.
