

Gunnison County Historical Preservation Commission
November 28, 2013

Members Present: Jody Reeser, Ruth Dolezal, Lynn Card, Lyda Hardy, Lee Ann Mick

The meeting was opened by Jody. The minutes were read and approved.

The first item on the agenda was the Presentation by Alex Schliirfn'and Dillon Brown. They are from the high school and told us about their civic project that they have been working on. They worked on getting all of the addresses of the downtown buildings from today and of 1957. They gave a great presentation and had lots of information. They will check with their teacher and see if we can do evaluations for them.

The main thing on the agenda is the downtown project. 1957 to 1973 - 2011, 2012, some 1980 are done. Ruth has been going thru a lot of the phone books to get the info for each year. We need to decide what kind of data base to use. Debbie will check with Dan about data bases. We also talked about the signs and started thinking of some ideas. Jody is going to talk to someone at the City to see if we will have to worry about the sign code. Ruth will drop off her information to Debbie and keep working on the years we are missing.

Lynn and Jody are the board members that will come up for re-appointment this next year. Debbie has let the County Admin office know that Laura is no longer living here and can be removed from our list of board members. Her position won't be replaced.

It was agreed that as always there won't be a December meeting. There was no further business to come before the board so the meeting was adjourned.

Next meeting will be Jan 16, 2013
