

Gunnison County Historic Preservation

January 16, 2013

Members Present: Jody Reeser, Lee Ann Mick, Lynn Card, Ruth Dolezal,

Jody opened the meeting at 5:15. The minutes were read and approved as read.

The first item on the agenda is the downtown project. Ruth has compiled the businesses for each addresses from 1957 to 1990 so far. She will go ahead and do the next 20 years. Lee Ann thought it would be a good idea to have an open meeting where the public would be invited to help us fill in some of the gaps that we have. It was a great idea and we decide we could have it in May for Historic Preservation month. By then we will have the list from Ruth completed and will know what we need information on. Jody will check on the signs with the City.

The first step for the survey is to have a written plan. Jody will write a plan for survey, so we can get started on that.

Lynn didn't receive her letter from Bobbie in County admin office so Katherine will check on it and get back to Lynn. Lynn and Jody are the members whose terms are up this year.

Jody has made her reservation for the State Historic conference in Feb.

Jody let us know that the 8th street school received the grant money for the 2nd phase. The roof will be done in spring. There is temporary metal on it at the moment.

Jody adjourned the meeting as there was no further business to come before the board.
