

Gunnison County Historic Preservation
March 20. 2013

Members Present: Ruth Dolezal, Russ Lallier, Lee Ann Mick, Lynn Card

Lee Ann opened the meeting. The minutes were read and approved as read.

The first item on the agenda was the downtown project. Ruth has been working on getting information together. She brought in information on each address for the first 3 blocks North and 1 block South. Debbie is going to start putting it in the computer and get it formatted so that we can look at it from there. We will be able to see where the holes are after that. Ruth told us that some of the addresses were jumbled up. We are still going to try and have the public forum meeting in May to get the public in put.

Rachel McGruder asked the board to write a letter of support for the Ohio City Town Hall grant, that theyre applying for. Ruth brought us information on it and Lee Ann is going to write the letter and get it to Debbie before Monday.

There was no further business to come before the board so the meeting was adjourned.
