

Gunnison Historic Preservation Commission

June 18, 2014

Members Present: Jody Reeser, Lyda Hardy, Russ Lallier, Justin Lawrence (by Phone)

The Public meeting on the 8th Street School exterior alterations was opened by Russ at 5:00 pm. The meeting notice was confirmed by Debbie. A general review of the plan was given by Jody Reeser, the architect. She had a hand out that showed the scope of the windows which be rehabilitated. All of original windows will be fixed and remain intact. The East door will replicate the original. Windows and doors will be painted white to match the existing white. The West door will have a wood entry ramp. Russ asked if the board had any questions? Russ then asked for public comments. (there was no public in attendance). The applicant was given an opportunity to respond to the comments. The public hearing was closed by Russ.

The regular meeting was opened by Jody. The minutes were read and approved as corrected.

The first item on the agenda was the public meeting on the 8th street school. Russ moved that the board accept the plan alterations on the 8th street school, Lyda seconded it. It was passed unanimously. Jody did not vote as she was the 8th Street school representative.

Historic Preservation month was next on the agenda. Debbie told the board that she had no responses to the article in paper for historic preservation month. Lyda suggested that we do it in a different month and that we do it in conjunction with the schools.

Debbie put the transcription ad in to the job service. So far we have had no responses. We may need to widen the area we are going to advertise.

It was decide to do a 10.00 iTunes gift card and thank you note for each of the girls that helped with the book cleaning. Debbie will take care of that.

Everyone was reminded about the meeting to go over the grant process which is on June 19, at the City Hall building.

On the downtown project Russ is taken the information and putting it on the web page. He is doing it a little at a time. He is making a page for each address with pictures and information. He wants to take pictures of the board members. The website address is gunnisonhpc.homestead.com.

There was no further business to come before the board, so Jody adjourned the meeting.

Agenda Items

mapping project
book cleaning progress report
CLG report
Budget

On going projects

Downtown mapping
Survey plan
