

Gunnison County Historic Preservation Commission  
November 19, 2014

Members Present: Jody Reeser, Lynn Card, Justin Lawrence, Lee Ann Mick

The meeting was opened by Jody. The minutes were read and approved as read.

The first item on the agenda was the grant update. Justin told us that the grant for the survey was turned in and that we won't hear anything until sometime in January.

Rachel Magruder with the Ohio City Town Hall project thinks they will be ready to meet with the board to go over phase 2 in January. She will let us know for sure before then.

The website was tabled until next meeting with the hope that Russ will be there so that we can discuss where to go from here with the two different websites.

The update on the book cleaning project was given and it has been determined that the shelving upstairs need to be constructed. Jody will touch base with Melody Marks before her term is up.

Justin let the board know that the USFS and Gunnison County are working on a road agreement on the Alpine Tunnel road.

Jody let the board know that the 8<sup>th</sup> Street School project should be done by the 1<sup>st</sup> of the year.

As there was no further business to come before the board, Jody adjourned the meeting.

Next meeting will be on January 21 at 5:00 pm

Agenda Items

Grant update

Budget update
