

Gunnison County Historic Preservation Commission
January 15, 2013

Members Present: Jody Reeser, Lyda Hardy, Lee Ann Mick Ruth Dolezal

The meeting was opened by Jody. The minutes from the October 16, 2013 meeting were read and approved as read. There was no meeting in November as only one member showed up.

The first item on the agenda was an update on the book cleaning and storing. Vivian, the high school student helping, called and said they have completed the vacuuming of the books. She told them to check with Melody Marks and see what else needs to be done. Jody suggested that they could paint the book shelves. We need to get them into a data base and Lyda thought that the high school students helping us could do that. Jody hasn't heard anything from the architects after she sent them the suggestions for the new courthouse building.

Debbie has started transferring the school information to the survey forms.

Downtown project. Jody can get the barn wood for the picture frames from a job site. Each board could be made into one frame. Jody is going to call Mr. Phipps at the school and talk to him about how much wood he needs. Jody will take the downtown street maps to Boomers and Young at Heart next week.

Debbie asked if it would be okay with the board members to move the time of the meeting to 5 instead of 5:15. Everyone needs to be in the door before 5 at the Blackstock's building before they lock the doors or Debbie has to wait downstairs and let each person in. It was agreed to start at 5.

There was no further business to come before the board so Jody adjourned the meeting.

Next meeting is on March 19
