

Gunnison County Historic Preservation Commission  
January 21, 2015

Members Present: Jody Reeser, Justin Lawrence, Lynn Card

The meeting was opened by Jody. The minutes were read and approved as read.

The first item on the agenda was an update from Justin on the grant that the board applied for from the State Historical Office to do our survey plan. Justin told us that the application went in and then he received an email from the State, saying he need a signature from the Chairman of the County Commissioner's on the packet. Debbie got the signature needed and Justin sent it in. As of now, Justin hasn't heard anything yet, but will let us know if he does.

Debbie gave everyone a copy of the budget for this year. We did receive the items that we requested to be added to our regular budget. As a reminder those extras where money was added are the following: Travel-Lodging, Professional Service for the downtown open house when the signs are ready, transcribing the oral interviews, salary increase for increased hours for Debbie.

At our next meeting Rachel Magruder from the Ohio city town Hall building project will be here to go over Phase 2 with the board.

Debbie handed out copies of the Vader interview for the members to go over and see if they could help fill in any blanks. Debbie let the board know that Hannah is willing to do more transcribing. Debbie brought an interview for LeeAnn to take to her.

Jody let the board know that the 8<sup>th</sup> St School project is just about done and that Partners is planning to have an open house on March 18.

We didn't have anyone who could go to the HPC conference in February this year, so we will need to send someone to a training before July 1, 2015. Justin is going to talk to Molly at Crested Butte Historic office to see if they are doing any workshops in Crested Butte this year.

Debbie is going to start emailing reminders about the meetings to the board members and will also email the minutes. She also will check to see who has been appointed to the board for the next year. That should be decided by the first of February.

There was no further information to come before the board, so Jody adjourned the meeting.
