Others Present: Mike Pelletier (staff)

---

Jody opened the meeting and the group reviewed the minutes from the last meeting. Lynn made a motion (2<sup>nd</sup> by Lee Ann) to approve the minutes. It was approved unanimously.

Lyda informed the group that the state has not picked a date for the CLG meeting in Gunnison as of yet.

The group discussed Dave Primus's email about the Gunnison City Council deciding to tear down the old City Shop building and their intent on keeping/organizing the best rock for reuse.

Mike showed the group the two different versions of local landmark plaques. They are both oval but one is larger with a man sitting in front of the cabin. The group discussed the difficulty in understanding what the image represents on the plaque. It was decided that Lynn would try and draw a representation of the cabin that could better convert to a cast metal plaque and Mike will send her the original image of the cabin.

Meeting adjourned at 5:30.
