Others Present:

Justin opened the meeting. The minutes from the August & September meetings were read and approved.

Lee Ann and Lyda are still working diligently on the Downtown project and are going to bring a draft of what a plaque with history would look like at a future meeting.

Dave mentioned that Jim Gelwicks was interested on the survey we had completed and Dave was going to provide him a copy.

The group discussed that the Art Center did not have a plaque and that one should be provided to them.

The group also discussed looking into a student-member on the commission. We need to reference the charter and see if that is a possibility.

Jody told us about Heather Theissen Reilly and the Public History Major at Western that she is developing.

The group had a conversation about adding a section to our website of endangered places in Gunnison.

Meeting adjourned at 5:30.

Note: Would presenting the plaque to the art center and getting a picture in the paper be a good PR opportunity?
