

Gunnison County Historic Preservation Commission

Blackstock Government Center – May 17, 2017

Members Present: Lynn Card, Justin Lawrence, Jody Reeser, Jordan Selk-Johnson, Dave Primus

Others Present: Mike Pelletier (staff)

Justin opened the meeting and the group reviewed the minutes from the last meeting. Jody made a motion (2nd by Justin) to approve the minutes. It was approved unanimously.

The group discussed the potential dates suggested for the CLG forum in Gunnison and picked August 28th.

Dave described his meeting about the City Shop with Russ, City of Gunnison Manager and Mike Owen with the SHPO. They discussed the value of the building and the south wall. They discussed many options and looked at a possible relocation site at the Pioneer Museum. Mike said there might be dollars available to move the south wall although that is not normally done. Mike said he would find out more and report back.

The group discussed purchasing more landmark plaques. The group remembered a different design that included a man sitting in front of the building. It was decided to look into the matter before making a decision.

Justin described the latest on the Alpine Wall repair. Lynn described the Hoagland stage stop cabin which is on the national register and has been relocated to Spring Creek. The group also discussed the location of quarries in the area.

Meeting adjourned at 5:45.

Note: We do indeed have a plaque with a man in the design and Mike will bring it to the next meeting.
