

Gunnison County Historic Preservation Commission

Blackstock Government Center – November 28, 2018

Members Present: Justin Lawrence, Lynn Card, and Jordan Selk-Johnson

Others Present: Mike Pelletier (staff)

Justin opened the meeting. Minutes were not reviewed due to lack of a quorum.

Justin mentioned that the Alpine Tunnel repair project was not placed on the Endangered Places list. He will talk with the people involved about reapplying for the next round.

Jordan brought up about the need for better social media presence for local history. She will try to work on it in the coming months and asked Mike for the County rules involved.

Mike mentioned that he received some older photos of the Spencer School. The group discussed where would be the best place for them to live. The group suggested Western's library would be the best.

The group asked Mike to send various information out to the group.

Meeting adjourned at 5:30.
