

## **Gunnison County Historic Preservation Commission**

Blackstock Government Center – March 21, 2018

Members Present: Dave Primus; Lynn Card, Lee Ann Mick

Others Present: Mike Pelletier (staff)

---

Dave opened the meeting but the minutes were not reviewed for lack of a quorum.

Dave and Lee Ann mentioned that they had both spoken with Jim Gelwick (Mayor of Gunnison) about sign project for downtown. He is enthused about the project and the group said they would follow up with Jim.

Dave described his research into the plans for a hydroelectric plant in Gunnison back in 1912. The project came close to happening but was canceled at the last moment with an interesting turn of events. He submitted a write up on it to the local paper.

Lynn brought up that she has some cemetery books that should be digitized and that it would be a good project for an intern.

Mike said that Mark Rodman will be coming in May to do a required review of the CLG. He will look over the record keeping and attend the May meeting.

The group discussed getting more historic info on our website and creating a new walking tour for Gunnison. This could coincide with Historic Preservation month in May.

Meeting adjourned at 6:00.
