Online Zoom meeting (due to COVID 19 virus precautions) – May 20, 2021

Members Present: Shelley Popke,, Kathleen Curry. David Russell

Others Present: Mike Pelletier (staff)

The group discussed funding opportunities and process for the Hartman Castle, including issues regarding a public entity needing to be involved, matching funds, and owner concerns. Shelley said she would talk with someone at History Colorado for clarification. Mike said he would contact the group that worked on the Ohio City Town Hall, and Kathleen said she would chat with the owner and try to get Duane Vandebush's assistance.

The group discussed the agricultural honor designation program and that no nominations were sent in from the public. Kathleen said she would like to nominate Irene Irby's ranch on the upper Tomichi. The group liked the reasoning for the nomination. She said she will do a writeup for the nomination and email it to the HPC members.

Shelley said that Jake Jones with the Crested Butte Land Trust told her that they are working on a strategic plan for the Glacier property and will be in touch whether or not they want to pursue a historical designation.

The group wants to discuss meeting in person at the next meeting.

Meeting adjourned at 5:45
