

Gunnison County Historic Preservation Commission

Regular Meeting – January 18, 2023

Members Present: Shelley Popke, David Russell, Jody Reeser

Others Present: Mike Pelletier

Jody told the group that the grant for the Somerset survey project was submitted again to the State. They expect to have the awards determined by March 1st.

Minutes from last meeting were not voted on due to a lack of a quorum.

Shelley and Dave said they are planning to go to the Saving Places Conference in Denver in February. History Colorado awarded a grant to help cover the costs of attending the conference. Heather may also be going.

Jody suggested everyone consider picking a building of interest in Gunnison for a potential downtown sign. She will email the list again to everyone.

Jody told the group that she has been hired to create schematic designs for the preservation of the train station in Grand Junction.

Meeting adjourned at 5:45.
