**GUNNISON/HINSDALE BOARD OF HUMAN SERVICES
MEETING MINUTES
April 15, 2025**

The April 15, 2025 meeting of the Gunnison/Hinsdale Board of Human Services was held in the Board of County Commissioners' meeting room located at 200 E. Virginia Avenue, Gunnison, Colorado. Present, either in person or via Zoom, were:

Laura Puckett Daniels, Chairperson
Liz Smith, Commissioner
Jonathan Houck, Commissioner
Greg Levine, Commissioner (Hinsdale)

Joni Reynolds, Assistant County Manager (ACM) Health,
Human & Safety Services
John Cattles, Assistant County Manager for Operations
and Sustainability
Holly Perry, Clerk to the Board
Other Persons Present as Listed in Text

CALL TO ORDER: Commissioner Houck called the meeting to order at 10:12 am.

AGENDA REVIEW: There were no changes to the agenda.

MINUTES APPROVAL: **Moved** by Commissioner Smith, seconded by Commissioner Puckett Daniels to approve the meeting minutes as presented. Motion carried unanimously.

1. February 18, 2025

BOARD OF HUMAN SERVICES CHAIR DISCUSSION/DECISION

Commissioner Houck relayed that historically the Chair of the Board of County Commissioners is the Chair of the Gunnison/Hinsdale Board of Human Services Board as well. Commissioner Levine supports the Chair designation being whoever is Chair of the Board of County Commissioners. **Moved** by Commissioner Smith, seconded by Commissioner Levine to nominate Laura Puckett Daniels as the Chair Gunnison County Board of County Commissioners to also be the Chair of the Board of Human Services. Motion carried unanimously.

APPROVE MONTHLY FINANCIAL REPORTS Senior Operations Accountant Lupita Halligan was present for discussion.

SOA Halligan relayed the first page is a summary of Gunnison and Hinsdale expenses in comparison to the final budgeted expenses and she included what the County pays versus what the Federal and State pay. SOA Halligan then explained what each expenditure includes and that any revenue that is over is deferred for the next year. SOA Halligan highlighted which programs were over or under budget and if there were any possible changes for 2025 as well as any anomalies. Commissioner Levine asked for clarification on what Random Moment (RMS) Expenses are. ACM Reynolds clarified that random Health and Human Services employees are telephonic surveyed based on work they are currently doing and the State takes the funding and allocates the funds based on that survey. **Moved** by Commissioner Puckett Daniels, seconded by Commissioner Houck to approve the year end financials for the Board of Human Services. Motion carried unanimously.

LEGISLATIVE UPDATES:

1. Long Bill – ACM Reynolds relayed the Long Bill has made it through both Chambers. She noted there were no cuts to child welfare and they carved out Medicaid as well as including the supplemental that will add \$25 Million for childcare assistance.
2. Retail Food Establishment – ACM Reynolds explained the inspection fees haven't been increased since 2015, but there was good discussion around the support it provides for the Counties to be able to do those inspections. However, there was a push from the industry that Counties should use their General Funds to support the expenses for restaurant inspections. ACM Reynolds explained this is a triennial review and they did an increase that is over three years with the Consumer Price Index (CPI) being built into it.
3. Placement Transition Plans – ACM Reynolds stated this is to have explicit plans for children being moved from one placement to another and those plans are to be in writing and reviewed with the placement site. The concerns are this could add another layer of work to delay the prioritization of the child's safety and best placement as well as having to report to current foster the next placement of child which can also affect the child's safety. Colorado Counties, Inc. Steering Committees (CCI) is in an amend position.
4. Juvenile Detention Bed Cap – ACM Reynolds noted this has some contention from the administration and the State departments are not in support of increasing the bed cap. CCI is in support.
5. Medicaid Update – ACM Reynolds stated there was a carve out for child welfare and CCI has moved to a position of support.
6. Social Security Benefits – ACM Reynolds conveyed that in the past, youth in foster care could get social security benefits to support them in their current placement and this bill would disallow it. CCI is opposing.

7. Joint Budget Committee – ACM Reynolds noted there was an increase for some County Administration including Supplemental Nutrition Assistance Program (SNAP), Colorado benefit management system (CBMS) and best practice implementation.

Commissioner Puckett Daniels brought up disease prevention and if it impacted the budget. ACM Reynolds confirmed it has, but it did not require staff reallocation.

NEXT MEETING: The next meeting was scheduled for June 17, 2025.

ADJOURN: Commissioner Puckett Daniels adjourned the meeting at 10:57 am

1. PARTIES

This Contract is entered into by and between the STATE OF COLORADO acting by and through the State agency named on the Cover Page for this Contract (the “State,” the “Department,” or “HCPF”) and Contractor named on the Cover Page for this Contract (the “Contractor”). Contractor and the State agree to the terms and conditions in this Contract.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Contract shall not be valid or enforceable until the Effective Date. The State shall not be bound by any provision of this Contract before the Effective Date and shall have no obligation to pay Contractor for any Work performed or expense incurred before the Effective Date or after the expiration or sooner termination of this Contract.

B. Initial Term

The Parties’ respective performances under this Contract shall commence on the Contract Performance Beginning Date shown on the Cover Page for this Contract and shall terminate on the Initial Contract Expiration Date shown on the Cover Page for this Contract (the “Initial Term”) unless sooner terminated or further extended in accordance with the terms of this Contract.

C. Extension Terms - State’s Option

The State, at its discretion, shall have the option to extend the performance under this Contract beyond the Initial Term for a period, or for successive periods, of one year or less at the same rates and under the same terms specified in the Contract (each such period an “Extension Term”). In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to the Sample Option Letter attached to this contract. Except as stated in **§2.D**, the total duration of this Contract, including the exercise of any options to extend, shall not exceed five years from its Effective Date absent prior approval from the Chief Procurement Officer in accordance with the Colorado Procurement Code.

D. End of Term Extension

If this Contract approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Contractor as provided in **§14**, may unilaterally extend such Initial Term or Extension Term for a period not to exceed two months (an “End of Term Extension”), regardless of whether additional Extension Terms are available or not. The provisions of this Contract in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement contract or modification extending the total term of this Contract.

E. Early Termination in the Public Interest

The State is entering into this Contract to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Contract ceases to further the public interest of the State, the State, in its discretion, may terminate this Contract in whole or in part. A determination that this Contract should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Contract by the State for breach by Contractor, which shall be

governed by **§12**.

i. Method and Content

The State shall notify Contractor of such termination in accordance with **§14**. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Contractor shall be subject to the rights and obligations set forth in **§12**.

iii. Payments

If the State terminates this Contract in the public interest, the State shall pay Contractor an amount equal to the percentage of the total reimbursement payable under this Contract that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Contract is less than 60% completed, as determined by the State, the State may reimburse Contractor for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Contract, incurred by Contractor that are directly attributable to the uncompleted portion of Contractor's obligations, provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

Any other term used in this Contract that is defined in an Exhibit shall be construed and interpreted as defined in that Exhibit, including the terminology in Exhibit D.

4. STATEMENT OF WORK

Contractor shall complete the Work as described in this Contract and in accordance with the provisions of Exhibit B, and Exhibit E. The State shall have no liability to compensate Contractor for the delivery of any goods or the performance of any services that are not specifically set forth in this Contract.

The State, at its discretion, shall have the option to increase or decrease the statewide quantity of Goods and Services based upon rates established in this Contract, and increase the maximum amount payable accordingly. In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to the Sample Option Letter attached to this contract. Delivery of Goods and performance of Services shall continue at the same rates and terms as described in this Contract.

5. PAYMENTS TO CONTRACTOR

A. Maximum Amount

Payments to Contractor are limited to the unpaid, obligated balance of the Contract Funds. The State shall not pay Contractor any amount under this Contract that exceeds the Contract Maximum for that State Fiscal Year shown on the Cover Page for this Contract.

B. Payment Procedures

i. Invoices and Payment

- a. The State shall pay Contractor in the amounts and in accordance with the schedule and other conditions set forth in Exhibit B, Statement of Work and Exhibit C, Rates.
- b. Contractor shall initiate payment requests by invoice to the State, in a form and manner approved by the State.
- c. The State shall pay each invoice within 45 days following the State’s receipt of that invoice, so long as the amount invoiced correctly represents Work completed by Contractor and previously accepted by the State during the term that the invoice covers. If the State determines that the amount of any invoice is not correct, then Contractor shall make all changes necessary to correct that invoice.
- d. The acceptance of an invoice shall not constitute acceptance of any Work performed or deliverables provided under this Contract.

ii. Interest

Amounts not paid by the State within 45 days of the State’s acceptance of the invoice shall bear interest on the unpaid balance beginning on the 45th day at the rate of one percent per month, as required by C.R.S. §24-30-202(24)(a), until paid in full; provided, however, that interest shall not accrue on unpaid amounts that the State disputes in writing. Contractor shall invoice the State separately for accrued interest on delinquent amounts, and the invoice shall reference the delinquent payment, the number of day’s interest to be paid and the interest rate.

iii. Payment Disputes

If Contractor disputes any calculation, determination or amount of any payment, Contractor shall notify the State in writing of its dispute within 30 days following the earlier to occur of Contractor's receipt of the payment or notification of the determination or calculation of the payment by the State. The State will review the information presented by Contractor and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the State's review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the State has concluded its review, and the State shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

iv. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the current State Fiscal Year. Payment to Contractor beyond the current State Fiscal Year is contingent on the appropriation and continuing availability of Contract Funds in any subsequent year (as provided in the Colorado Special Provisions). If federal funds or funds from any other non-State funds constitute all or some of the Contract Funds, the State's obligation to pay Contractor shall be contingent upon such non-State funding continuing to be made available for payment. Payments to be made pursuant to this Contract shall be made only from Contract Funds, and the State's liability for such payments shall be limited to the amount remaining of such Contract Funds. If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may, upon written notice, terminate this Contract, in whole or in part, without incurring further liability. The State shall, however, remain obligated to pay for Services and Goods that are delivered and accepted prior to the effective date of notice of termination, and this termination shall otherwise be treated as if this Contract were terminated in the public interest as described in §2.E.

6. REPORTING - NOTIFICATION

A. Quarterly Reports.

In addition to any reports required pursuant to this Contract or pursuant to any other Exhibit, for any contract having a term longer than 3 months, Contractor shall submit, on a quarterly basis, a written report specifying progress made for each specified performance measure and standard in this Contract. Such progress report shall be in accordance with the procedures developed and prescribed by the State. Progress reports shall be submitted to the State not later than 5 Business Days following the end of each calendar quarter or at such time as otherwise specified by the State.

B. Litigation Reporting

If Contractor is served with a pleading or other document in connection with an action before a court or other administrative decision-making body, and such pleading or document relates to this Contract or may affect Contractor's ability to perform its obligations under this Contract, Contractor shall, within 10 days after being served, notify the State of such action and deliver copies of such pleading or document to the State's principal representative identified on the Cover Page of this Contract.

7. CONTRACTOR RECORDS

A. Maintenance

Contractor shall maintain a file of all documents, records, communications, notes and other materials relating to the Work (the “Contractor Records”). Contractor Records shall include all documents, records, communications, notes and other materials maintained by Contractor that relate to any Work performed by Subcontractors, and Contractor shall maintain all records related to the Work performed by Subcontractors required to ensure proper performance of that Work. Contractor shall maintain Contractor Records until the last to occur of: **(i)** the date three years after the date this Contract expires or is terminated, **(ii)** final payment under this Contract is made, **(iii)** the resolution of any pending Contract matters, or **(iv)** if an audit is occurring, or Contractor has received notice that an audit is pending, the date such audit is completed and its findings have been resolved (the “Record Retention Period”).

B. Inspection

Contractor shall permit the State to audit, inspect, examine, excerpt, copy and transcribe Contractor Records during the Record Retention Period. Contractor shall make Contractor Records available during normal business hours at Contractor’s office or place of business, or at other mutually agreed upon times or locations, upon no fewer than two Business Days’ notice from the State, unless the State determines that a shorter period of notice, or no notice, is necessary to protect the interests of the State.

C. Monitoring

The State, in its discretion, may monitor Contractor’s performance of its obligations under this Contract using procedures as determined by the State. The State shall monitor Contractor’s performance in a manner that does not unduly interfere with Contractor’s performance of the Work.

D. Final Audit Report

Contractor shall promptly submit to the State a copy of any final audit report of an audit performed on Contractor’s records that relates to or affects this Contract or the Work, whether the audit is conducted by Contractor or a third party.

8. CONFIDENTIAL INFORMATION-STATE RECORDS

A. Confidentiality

Contractor shall keep confidential, and cause all Subcontractors to keep confidential, all State Records, unless those State Records are publicly available. Contractor shall not, without prior written approval of the State, use, publish, copy, disclose to any third party, or permit the use by any third party of any State Records, except as otherwise stated in this Contract, permitted by law or approved in Writing by the State. MEMORANDUM OF UNDERSTANDING - ANNUAL REAFFIRMATION

The State of Colorado Department of Human Services and the Hinsdale/Gunnison Board of Human Services or other elected governing body of Hinsdale/Gunnison County, Colorado.

This Memorandum of Understanding (MOU) is made this 1st day of July 2025 between the State of Colorado Department of Human Services (CDHS) and the Board of the County Commissioners or other elected governing body of Hinsdale/Gunnison County, Colorado (the “County”).

CDHS is the sole state agency with the responsibility to administer or supervise the administration of the human services programs listed in CRS 26-1-201.

The Colorado General Assembly enacted Senate Bill 97-120 in response to the passage of the federal “Personal Responsibility and Work Opportunity Reconciliation Act of 1996” thereby adopting the Colorado Works Program (“Works Program”) for the purposes of this MOU.

CRS 26-2-715 requires CDHS, and the County to enter into an annual performance contract that explains the County’s duties and responsibilities in implementing the Works Program.

CDHS and the County understand and agree that the services and assistance outlined in this MOU are subject to available appropriations by the General Assembly, and the County. Neither party will be obligated to provide services or assistance if adequate appropriations have not been made.

The following terms are agreed to by CDHS and the County:

1) MOU MEETS PERFORMANCE CONTRACT REQUIREMENT

a) The parties agree that the provisions of this MOU constitute compliance with CRS 26-2- 715.

2) TERM

a) The term of this MOU will be from July 1, 2025, through June 30, 2026. This MOU shall be reaffirmed annually through an amendment signed by both parties.

3) REQUIRED DUTIES OF THE COUNTY

a) The County will administer and implement the Works Program using fair and objective criteria, and in compliance with federal law, State Statute, and applicable program policy in 9 CCR 2503-6 (Works Program).

b) The County will not reduce the basic assistance grant administered according to CRS 26-2-709, except as otherwise outlined in 9 CCR 2503-6.

c) The County will not restrict eligibility or the provisions of services, nor will it impose sanctions that are inconsistent with State Statute or Federal law and applicable program policy, including the process and sanctions outlined in 9 CCR 2503-6.

d) For the term of this MOU, the County's negotiated Work Participation Rate (WPR) will be held accountable only to the adjusted WPR, after the caseload reduction credit is applied, with the elimination and removal of the Two-Parent rate. The County's agreement to meet the federally required participation rate is relevant to CDHS's anticipation that CDHS will, in turn, be able to meet any work participation rates imposed by the federal government.

e) The parties acknowledge that the WPR is, as of the signing of this MOU, the only federally mandated performance goal identified specifically in CRS 26-2- 712 (4). The parties also acknowledge that in an effort to help individuals prepare for and enter the workforce, they are encouraged to adopt employment focused measures, as outlined under "OPTIONAL OUTCOME MEASURES" below.

f) The County will maintain sufficient records, and will permit CDHS or its duly designated agents and/or representatives of the federal government, to inspect the records and make such records available to CDHS as specified in CRS 26-2-717 for the Colorado Works Program. The County must also continue to report to CDHS as currently required by CRS 26-2-716 and 717 for the Colorado Works Program and must report to CDHS as required by law. In addition, Counties or county departments that are covered entities, or contracting parties to a Business Associate Agreement, pursuant to the Health Insurance Portability & Accountability Act of 1996 (HIPAA), must comply with HIPAA, as required by law.

- g) As specified by rule and state statute, counties shall have flexibility in determining the approaches needed to achieve federal and State requirements. The County agrees to provide CDHS with its adopted policies and any updated written information when, or if, changes to these policies are made in these Programs. The County agrees to provide the information and policies specified in paragraph (h) herein, to CDHS for review and approval prior to adopting aforementioned policies.
- h) Outside of what is required by statute or rule, the parties agree that information and policies provided by the County to CDHS, as described in paragraph (g) herein, are for informational purposes and are provided to assist CDHS in meeting its responsibilities, with respect to the Colorado Works Programs. Nothing in this MOU gives CDHS the authority to require any County policies beyond what is required by statute or rule. The County acknowledges CDHS's right to review, comment upon or request reasonable additional information or clarification of any County policies or records. Such requests will be made in writing and directed to the County Department of Human/Social Services Director.
- i) The County will utilize the technical assistance, training and reporting or tracking resources offered by CDHS in order to administer the Programs, including those that support the four purposes of Temporary Assistance to Needy Families (TANF) and will meet the WPR.
- j) The County will participate in formal expeditious vetting processes with CDHS to review, draft and recommend policies or rule changes that would have a positive impact on WPR and meet federal guidelines.
- k) In order to maximize the caseload reduction credit for the State, the County will actively identify and report third party Maintenance of Effort (MOE) contributions, in accordance with the timelines and guidelines established by CDHS.

4) OPTIONAL OUTCOME MEASURES

- a) Counties may submit a proposal as an attachment to this MOU, describing additional employment focused performance measures, specific to employment. Such proposals may be submitted either at the time of execution or at any time during the period of this MOU. The proposal is limited to issues regarding the pursuit of programs, strategies, and associated evaluation plans that focus on improving employment outcomes and contribute to the evidence base for effective programs. In addition, terms and conditions will require either interim targets for each performance measure or a framework for how interim goals will be set after the

baseline measures are established. The terms and conditions will establish a review process for programs, strategies and metrics designed to achieve optimal outcomes.

b) Upon approval of the proposal by CDHS, the County or region will be subject to the performance measures, interim goals, and other conditions set forth in the MOU addendum, and negotiated WPR that consider employment focused outcome measures and anticipated statewide case-load credit reductions.

5) DUTIES OF CDHS

a) In consultation with the Counties, CDHS will oversee the statewide implementation of the Works Program, and will develop standardized forms that streamline the application process, the delivery of services, and the tracking of participants.

b) CDHS will monitor the County's provision of basic assistance grants and, if necessary, perform the duties outlined in CRS 26-2-712 (5).

c) CDHS exercises oversight of and responsibility for the development, implementation, maintenance, and enhancement of the State Benefit System and its application relative to the Works Program. Because the State Benefit System is a system that utilizes decision tables run by a rules engine for determining eligibility and amount of benefits to the extent allowed by law, the County will not be sanctioned or required to follow a remediation plan for erroneous decisions made by the State Benefit System. Without limitation, this applies to erroneous eligibility decisions, erroneous determination of amount of benefits, erroneous decisions resulting in overpayments and subsequent claims, and erroneous decisions resulting in underpayments and subsequent supplemental payments of restorative benefits.

(1) The State acknowledges that liability to third parties resulting from erroneous, inaccurate or inadequate State Benefits System notices to Works Program households, is properly the State's liability. CDHS will not take recovery action against the County for any claim, including a legal claim, that is defined in this paragraph as a State Benefit System caused error. This provision does not apply to any errors, claims or issues caused by the County's inaccurate data entry in the system, the County's failure to follow clear, reasonable, and lawful instruction, or failure to follow program rules formally adopted by the State Board of Human Services. This provision does apply to the State Benefit System training and data entry rules and/or any rules that are part of the State Benefit System rule engine.

- d) CDHS will develop and provide training for Works Program staff, as required by CRS 26-2-712 (7).
- e) CDHS will hold Contracted Agencies with cooperative agreements with the State Department responsible for providing reception and placement services for refugees, accountable to its own WPR and must not include refugees receiving Contracted Agency's services in the County's calculation of the WPR. The Contracted Agency's negotiated WPR will be held accountable only to the adjusted WPR after the case-load reduction credit is applied with the elimination and removal of the Two-Parent rate.
- f) CDHS will use valid data from the State Benefit System and other sources, as necessary, to accurately calculate the County's WPR. Prior to submitting its calculation to the federal government, CDHS will provide the County the individual data variables and supporting information used in the calculations, so that the County may review the data to ensure the accuracy, validity and proper calculation of the WPR.
- g) CDHS will provide technical assistance and available resources to the Counties to help Counties meet WPR and Payment Accuracy Goals.
- h) CDHS will provide ongoing technical assistance, training, and reporting for tracking resources to help the County administer the program, in support of the four purposes of TANF and to meet WPR.
- i) CDHS will conduct formal expeditious collaborative processes with the County to review, draft and recommend policies or rule changes that would have a positive impact on work participation rate and meet federal guidelines.
- j) In order to maximize the caseload reduction credit for the State, CDHS agrees to actively identify and report third party Maintenance of Effort (MOE) contributions.
- k) The amount identified for a County's level of spending shall be identified annually in the Allocation Agency Letter as required in CRS 26-2-712.

6) JOINT STATE AND COUNTY DUTIES

- a) The State and Counties will work together in partnership to communicate performance expectations and results to jointly achieve federally required performance outcome measures related to the WPR.

- b) As needed, the State and Counties will convene meetings, workshops, focus groups, or other forums to share information, best process, or targeted strategies to achieve the spirit and intent of this MOU document and related federally required performance requirements.
- c) The State and the Counties will work together to ensure that the information entered and reported in the Colorado Benefits Management System is as accurate as possible. The State shall work to address any system issues in a timely manner, and Counties will enter accurate client and provider information in the systems.

7) REMEDIATION PLANS

The County, in consultation with CDHS may develop a remediation plan if, during the term of this MOU, the County engages in any of the following actions:

- a) Spending, federal or state, Works Program funds in a manner disallowed by Federal or State law, which could include receipts or recoveries that are not reported;
- b) Failing to meet the WPR, after the caseload reduction credit is applied, as contained in this MOU and/or failing to meet the negotiated performance measures;
- c) Reducing the basic assistance grant, restricting eligibility or the provision of services, or imposing sanctions in a manner inconsistent with a federally compliant state law and state plan, and applicable program policy;

8) SANCTIONS

- a) Subject to the limitations set forth herein, if CDHS subject to a federal sanction, and the County's remediation plan was insufficient, CDHS may impose sanctions on the County pursuant to this MOU only if during the term of this MOU, the County engages in any of the following actions:
 - 1. Failing to meet the WPR, after the caseload reduction credit is applied, as contained in this MOU and/or not meeting negotiated performance measures;
 - 2. Reducing the basic assistance grant, restricting eligibility or the provision of services, or imposing sanctions in a manner inconsistent with a federally compliant state law and state plan and applicable program policy;

- b) A sanction should not be imposed on the County for failing to adhere to a state regulation that conflicts with federal law.
- c) The county will not be sanctioned or required to follow a remediation plan if:
 - 1. the County can demonstrate by a preponderance of evidence that CDHS provided inaccurate guidance, training or data with regards to performance under this MOU; and,
 - 2. that the County's reliance on this information is the proximate cause for the imposed sanctions. If the County can only demonstrate that it is the proximate cause for part of the sanction, the County will not be liable for that portion of the sanction.

9) PROCEDURES FOR IMPOSING REMEDIATION PLAN OR SANCTIONS

- a) The process for a sanction or remediation plan against the County by CDHS will be as follows:
 - 1. CDHS will provide the County with written notice of the County's failure to meet the performance measures outlined in this MOU. This notification will include all associated documentation that supports CDHS's determination of the performance failure. Upon receiving such notice, the County has sixty (60) days to contest, explain, offer evidence of mitigating factors, and/or submit a remediation plan to correct the alleged performance problem.
 - 2. If the County's remediation plan does not rectify the performance problem, CDHS may determine the appropriate level of sanction. CDHS shall take into consideration as a mitigating factor any violation of a state regulation that exceeds or conflicts the requirements of the federal law. CDHS will provide the County one hundred eighty (180) days written notice of the proposed sanction before imposing any sanction. This notification will include the rationale of imposing the sanction, as well as, all associated documentation, a calculation of the proposed sanction, and an indication of what constitutes a remedy or correction that will allow the County to avert the sanction, if any remedy or correction is possible. Upon receiving such notice, the County has sixty

(60) days to contest, explain or offer evidence of mitigating factors, sanctions are imposed.

3. If a sanction is imposed, the amount cannot be greater than that imposed by the federal government. If CDHS has incurred a sanction due to the failure of more than one County to meet its obligations under the terms of this MOU, the County will only be sanctioned for its share of the sanction.

b) CDHS will provide the County with all documents received from the federal government related to any proposed or imposed federal sanction within twenty (20) days of receipt, together with all CDHS documents related to the actions giving rise to that federal sanction, or that related to the sanction process. If CDHS fails to provide the required documentation within the twenty (20) days, it may not hold the County liable for that sanction.

10) CIRCUMSTANCES FOR CDHS ASSUMING ADMINISTRATION

a) If the County continues to knowingly or consistently fail to meet its obligation specified in this MOU, CDHS may assume the County's administration and implementation of the Works Program.

i) In that event, CDHS will provide the County ninety (90) days written notice before assuming these duties. Upon receipt of such notice, the County shall have the opportunity to contest, explain, offer evidence of mitigating factors, or to correct the failure before assuming the duties.

b) If the County continues to consistently fail to meet its obligation specified in this MOU, the County at its sole discretion may ask CDHS to assume the County's administration and implementation of the Works Program. CDHS is under no obligation to accept or assume the administration of the Works Program.

i) If CDHS assumes the County's administration and implementation of the Works Program, it may retain the unused portion of the allocation that was provided to the County, as part of the County's block grant for its administration and implementation of the Program, in accordance with the formulas described in CRS 26-2-714 for the Colorado Works Program. CDHS will, in consultation and in conjunction with the County, develop or modify automated systems to meet the reporting requirements of CRS 26-2-717 for the Colorado Works Program

11) DISCRETIONARY MATTERS

The parties agree that all portions of Part 7 or Article 2 of Title 26, C.R.S. for the Colorado Works Program grant discretion to either party regarding the administration of the Works in the County, will not be affected by the execution of this MOU except as explicitly stated herein.

12) SEVERABILITY

To the extent that this MOU is executed, and the performance of the obligations of the parties may be accomplished within the intent of the MOU, the terms of the MOU are severable. Thus, should any term or provision herein be declared invalid or become inoperative for any reason, such invalidity or failure shall not affect the validity of any other term or provision herein. The waiver of any break of term, herein shall not be construed as a waiver of any other term, or of the same term upon subsequent breach.

13) INTEGRATION OF UNDERSTANDING

This MOU is intended as the complete integration of the understanding between the parties concerning the matters negotiated between them and incorporated in this MOU. No prior or contemporaneous addition, deletion, or other amendment hereto shall have any force or effect whatsoever, unless embodied in writing. No subsequent notation, renewal, addition, deletion, or other amendment hereto shall have any force or effect unless embodied in a written amendment executed by the parties.

The parties recognize the nature of the relationship between the County and State. This relationship is governed more broadly by pertinent provisions of the Colorado Constitution and of State statutes and rules, and for Colorado Works includes, lawful rules promulgated by the State Board of Human Services. The parties further recognize that this MOU is not intended to supersede or change the relationship between the County and the State as established by any legal authority.

14) NO THIRD-PARTY BENEFICIARY

This MOU is binding on CDHS and the County as well as their respective successors and assigns. It is agreed that the enforcement of the terms and conditions of the MOU are reserved for CDHS and the County, to the extent permitted by law. Nothing contained in this MOU allows a claim or right of action by a third party. Any third-party receiving

services or benefits under the provisions of this MOU is deemed an incidental beneficiary.

15) DISPUTE RESOLUTION

a) Prior to the execution of this document, if CDHS or the County are unable to reach agreement concerning the inclusion of, or wording of, provisions of the MOU that apply to the Colorado Works Program, either CDHS or the County may refer the dispute to the State Board of Human Services for resolution pursuant to the provisions of CRS 26-2-715 (3).

b) Subsequent to the execution of this document, CDHS and the Counties will work in good faith to resolve a dispute arising from any provision of this executed MOU as applied to the Colorado Works program. If the parties are unable to resolve such dispute, any of the following non-binding mediation options are available by agreement of the parties;

i) Mediation by the Governor or a third party of the Governor's choosing. Such review must be initiated by notice provided to the Governor and other party, by certified mail. Decision by the Governor, or his appointed third-party, is non-binding.

ii) Mediation by a dispute resolution panel, to consist of one County designated member, one CDHS designated member, and one member selected by the other two panelists. Each party must pay for its own costs and attorney fees and must share equally in any fees paid to panel members. The panel's decision shall be made by a majority vote of its members and is non-binding.

iii) Mediation by the State Board of Human Services. If the State Board is requested to mediate, the provisions of CRS 26-2-715 concerning time limits and final effect of the State Board's decision will not apply. The State Board of Human Services' decision is non-binding.

c) None of these options will be a jurisdictional prerequisite to legal action by either party.

Economic Security Services

- **Medical Assistance Update**

- We approved 136 Medicaid cases for Cover All Coloradans in January 2025. This was accomplished through our Multicultural Resource Team helping Spanish speaking non-citizens fill out applications who were not previously eligible for Medicaid prior to the new Cover All Coloradans Medical Assistance program that started in January.
- The Multicultural Resource Team also had another busy Open Enrollment for OminiSalud. They worked with our Spanish speaking community who didn't qualify for Medicaid to help enroll them in the OminiSalud medical insurance program for undocumented Coloradans.
- We're currently receiving assistance from the state's Overflow Processing Center with Medical Assistance applications and renewals. This is a 6-month agreement that is allowing us to focus on other programmatic and staffing needs.
- See Gunnison and Hinsdale Fact Sheet below.

- **SNAP Update**

- It feels like we're getting some seasonality back to our work flow. During COVID we stayed busy year round and did not see a decrease in work during the summer, like we were used to before COVID.
- See SNAP issuance chart below.

- **Economic Security Services Team Updates**

- Distinguished Performance Awards for Gunnison and Hinsdale.
- Evan Halligan resigned at the end of January 2025. Evan was a Lead Eligibility Technician who was with us for over 4 years.
- We increased our Spanish speaking capacity by hiring Carlos Altamirano in March. We're excited to add is proficiency in English, Spanish and intermediate level Cora to the team.
- We also Hired Brenda Perez Olmedo in March at 20 hours a week. She is also proficient in English and Spanish. This also increased the size of our team by .5 FTE.
- Ray was able to increase her half time position to full time for the summer until she returns to school in August.
