With their assistance, particularly with the Spanish-speaking community, there were 136 cases approved under this program compared to 106 in Montrose. OmniSalud also has a busy enrollment and allows people to purchase insurance if they are not financially eligible for Medicaid. ESSS Gage lastly commented on the staffing changes which included a resignation and the increase of their Spanish speaking capacity within their team which then creates a good balance to serving the community.

1. PARTIES

This Contract is entered into by and between Contractor named on the Cover Page for this Contract (“Contractor”) and the STATE OF COLORADO acting by and through the State agency named on the Cover Page for this Contract (the “State,” the “Department,” or “HCPF”). Contractor and the State agree to the terms and conditions in this Contract.

2. TERM AND EFFECTIVE DATE

A. Effective Date

This Contract shall not be valid or enforceable until the Effective Date. The State shall not be bound by any provision of this Contract before the Effective Date and shall have no obligation to pay Contractor for any Work performed or expense incurred before the Effective Date or after the expiration or sooner termination of this Contract.

B. Initial Term

The Parties’ respective performances under this Contract shall commence on the Contract Performance Beginning Date shown on the Cover Page for this Contract and shall terminate on the Initial Contract Expiration Date shown on the Cover Page for this Contract (the “Initial Term”) unless sooner terminated or further extended in accordance with the terms of this Contract.

C. Extension Terms - State’s Option

The State, at its discretion, shall have the option to extend the performance under this Contract beyond the Initial Term for a period, or for successive periods, of one year or less at the same rates and under the same terms specified in the Contract (each such period an “Extension Term”). In order to exercise this option, the State shall provide written notice to Contractor in a form substantially equivalent to the Sample Option Letter attached to this Contract. Except as stated in **§2.D**, the total duration of this Contract, including the exercise of any options to extend, shall not exceed five years from its Effective Date absent prior approval from the State Purchasing Director in accordance with the Colorado Procurement Code.

D. End of Term Extension

If this Contract approaches the end of its Initial Term, or any Extension Term then in place, the State, at its discretion, upon written notice to Contractor as provided in **§14**, may unilaterally extend such Initial Term or Extension Term for a period not to exceed two months (an “End of Term Extension”), regardless of whether additional Extension Terms are available or not. The provisions of this Contract in effect when such notice is given shall remain in effect during the End of Term Extension. The End of Term Extension shall automatically terminate upon execution of a replacement contract or modification extending the total term of this Contract.

E. Early Termination in the Public Interest

The State is entering into this Contract to serve the public interest of the State of Colorado as determined by its Governor, General Assembly, or Courts. If this Contract ceases to further the public interest of the State, the State, in its discretion, may terminate this Contract in whole or in part. A determination that this Contract should be terminated in the public interest shall not be equivalent to a State right to terminate for convenience. This subsection shall not apply to a termination of this Contract by the State for breach by Contractor, which shall be

governed by **§12.A.i.**

i. Method and Content

The State shall notify Contractor of such termination in accordance with **§14**. The notice shall specify the effective date of the termination and whether it affects all or a portion of this Contract, and shall include, to the extent practicable, the public interest justification for the termination.

ii. Obligations and Rights

Upon receipt of a termination notice for termination in the public interest, Contractor shall be subject to the rights and obligations set forth in **§12.A.i.a.**

iii. Payments

If the State terminates this Contract in the public interest, the State shall pay Contractor an amount equal to the percentage of the total reimbursement payable under this Contract that corresponds to the percentage of Work satisfactorily completed and accepted, as determined by the State, less payments previously made. Additionally, if this Contract is less than 60% completed, as determined by the State, the State may reimburse Contractor for a portion of actual out-of-pocket expenses, not otherwise reimbursed under this Contract, incurred by Contractor which are directly attributable to the uncompleted portion of Contractor's obligations, provided that the sum of any and all reimbursement shall not exceed the maximum amount payable to Contractor hereunder.

5. PAYMENTS TO CONTRACTOR

A. Maximum Amount

Payments to Contractor are limited to the unpaid, obligated balance of the Contract Funds. The State shall not pay Contractor any amount under this Contract that exceeds the Contract Maximum for that State Fiscal Year shown on the Cover Page for this Contract.

B. Payment Procedures

- i. Invoices and Payment

- a. The State shall pay Contractor in the amounts and in accordance with the schedule and other conditions set forth in Exhibit A, Statement of Work and Exhibit B, Rates.
- b. Contractor shall initiate payment requests by invoice to the State, in a form and manner approved by the State.
- c. The State shall pay each invoice within 45 days following the State's receipt of that invoice, so long as the amount invoiced correctly represents Work completed by Contractor and previously accepted by the State during the term that the invoice covers. If the State determines that the amount of any invoice is not correct, then Contractor shall make all changes necessary to correct that invoice.
- d. The acceptance of an invoice shall not constitute acceptance of any Work performed or deliverables provided under this Contract.

ii. Interest

Amounts not paid by the State within 45 days after the State's acceptance of the invoice shall bear interest on the unpaid balance beginning on the 45th day at the rate of one percent per month, as required by §24-30-202(24)(a), C.R.S., until paid in full; provided, however, that interest shall not accrue on unpaid amounts that the State disputes in writing. Contractor shall invoice the State separately for accrued interest on delinquent amounts, and the invoice shall reference the delinquent payment, the number of day's interest to be paid and the interest rate.

iii. Payment Disputes

If Contractor disputes any calculation, determination or amount of any payment, Contractor shall notify the State in writing of its dispute within 30 days following the earlier to occur of Contractor's receipt of the payment or notification of the determination or calculation of the payment by the State. The State will review the information presented by Contractor and may make changes to its determination based on this review. The calculation, determination or payment amount that results from the State's review shall not be subject to additional dispute under this subsection. No payment subject to a dispute under this subsection shall be due until after the State has concluded its review, and the State shall not pay any interest on any amount during the period it is subject to dispute under this subsection.

iv. Available Funds-Contingency-Termination

The State is prohibited by law from making commitments beyond the term of the current State Fiscal Year. Payment to Contractor beyond the current State Fiscal Year is contingent on the appropriation and continuing availability of Contract Funds in any subsequent year (as provided in the Colorado Special Provisions). If federal funds or funds from any other non-State funds constitute all or some of the Contract Funds, the State's obligation to pay Contractor shall be contingent upon such non-State funding continuing to be made available for payment. Payments to be made pursuant to this Contract shall be made only from Contract Funds, and the State's liability for such payments shall be limited to the amount remaining of such Contract Funds. If State, federal or other funds are not appropriated, or otherwise become unavailable to fund this Contract, the State may, upon written notice, terminate this Contract, in whole or in part, without incurring further liability. 4.3.1.5.5.3. Tier 2 target percentage: Contractors with fewer than 20 cumulative quality assurance case reviews conducted over a 12-month period. This is not reported on the MAP Accuracy Dashboard and used for County Incentives purposes only.

4.3.1.5.5.4. Based on EQA sampling, large Contractors will exceed 20 cumulative quality assurance reviews over the 12-month period, resulting in no Tier 2 target for large counties.

4.3.1.5.5.5. The Inaccurate Eligibility Determination Rate target is used to determine how many individuals in the sample had an incorrect determination.

4.3.1.5.5.5.1. The Inaccurate Eligibility Determination Rate is calculated as the number of individuals who were incorrectly approved, denied, or terminated divided by the total number of individuals in the sample percent, monthly (includes applications, redeterminations, and case changes).

4.3.1.5.5.5.2. Target Percentages for Incorrect Eligibility Determination Rate

County Size	Tier 1 Target %	Tier 2 Target %

4.3.1.5.5.6.1. The Errors That Did Not Impact Eligibility is calculated as the number of individuals with error(s) that did not impact eligibility divided by number of individuals in the sample, monthly (includes applications, changes, redeterminations).

4.3.1.5.5.6.2. Target Percentages for the Errors That Did Not Impact Eligibility Rate

County Size	Tier 1 Target %	Tier 2 Target %

 - 4.3.1.5.6.1.1.5. The Department will utilize the Medical Assistance Performance (MAP) Accuracy Dashboard to publish the results of the quality assurance case review findings each month, send the results to the County Directors, and may be sent to the Board of County Commissioners, at the Department's discretion.
- 4.3.1.5.7. Determining Compliance with the Accuracy portion of the Performance Compliance Performance Incentives Standards
 - 4.3.1.5.7.1. The MAP Accuracy Dashboard will be available monthly to Contractor to determine Contractor's performance over the State Fiscal Year (SFY). To determine compliance with the Accuracy Performance Incentive, the Department will utilize the most recent 12 consecutive months of cumulative MAP Accuracy Dashboard data, to determine whether Contractor met or exceeded the specified Accuracy target. The 12 consecutive months of MAP Accuracy data may extend outside of the timeframe of this amendment.
 - 4.3.1.5.7.2. The Department will use Contractor's final actual performance on the MAP Accuracy Dashboard in comparison to Contractor's Accuracy targets at the end of the SFY to determine if Contractor's actual performance has met and/or exceeded the Accuracy targets to earn an Accuracy Performance Incentive Payment. The percentage calculation has one decimal place and will not be rounded.

 - 4.3.1.6.1.3.2.1. The Department will follow Exhibit D, Review Sample Size Exemption Process Flow.
 - 4.3.1.6.1.3.3. Definition of Similar Error(s)
 - 4.3.1.6.1.3.3.1. The MAP Accuracy Dashboard identifies the accuracy rates for each Contractor; HCPF EQA provides Contractor with those errors caused by Contractor that impact accuracy rates. This allows Contractor to address the root cause of errors to prevent similar errors going forward. If errors are not addressed by Contractor and the same errors repeat in future months, the errors will be considered Similar Errors.
 - 4.3.1.6.1.3.3.2. If Contractor meets only one target with less than 20 reviews within the most recent 12 consecutive months of cumulative MAP Accuracy Dashboard, the Review Sample Size Exemption Process will be applied only to the one target not met by Contractor.

 - 4.3.1.6.1.3.4. Notification of Review Sample Size Exemption
 - 4.3.1.6.1.3.4.1. If Contractor does not meet the Accuracy Incentive Targets per Sections 4.3.1.5.5.2. and 4.3.1.5.5.6.2., Contractor will be notified through the Status Report of the Second Reporting Period.
 - 4.3.1.6.1.3.4.2. Contractor that does not meet the Accuracy Incentive Targets but qualifies for the exemption process per Section 4.3.1.6., Contractor will be notified through the Status Report of the Second Reporting Period.
 - 4.3.1.6.1.3.4.3. If Contractor qualifies for the Review Sample Size Exemption Process, the Department will review previously submitted documentation from

Contractor based on their MAP Accuracy Dashboard and may request additional documentation as specified in Section 4.3.1.6.1.3.2.
